

# 100 Property Investment Tips Learn From The Experts And Accelerate Your Success

This user-friendly publication covers every stage of property development, from preparing and arranging your finances, obtaining planning permission and working with contractors, right through to marketing your property for sale or rental.

Strategies for creating real estate wealth by starting small--and always making the right moves Nationally known real estate expert John Schaub learned his craft in the best way possible--on the job, and through every kind of market. Over three decades, he learned to bank consistent profits as he built an impressive real estate mini-empire. Building Wealth One House at a Time reveals how virtually anyone can accumulate one million dollars worth of houses debtfree and earn a steady cash flow for life. Unique in that it focuses on buying houses in good-quality neighborhoods, Schaub's nine-step program includes: Renting to long-term tenants, with financial incentives to pay on time Avoiding the temptation of bigger deals, which invariably include bigger problems A 10-year plan to pay off debt and own houses free and clear

With more than 160 000 copies sold, From 0 to 130 Properties in 3.5 Years is Australia's highest selling real estate book -- ever! Scores of investors have used Steve McKnight's wealth building information to discover how to achieve their financial dreams. Now it's your turn. Using his incredible real-life account of how he bought 130 properties in 3.5 years, McKnight reveals how you can become financially free by using cash and cashflow positive property. Revised to incorporate the latest highly effective strategies, and rewritten to include 16 brand new chapters, this revised edition reveals: How to create a positive cashflow property portfolio from scratch -- even if you have little money and no experience Steve's New 1% Rule -- a simple four-step process for finding positive cashflow properties Exactly what and where to buy if you want to maximise your profits How to protect your wealth and save tax And much, much more ...

Manny Khoshbin's Contrarian PlayBook gives you a successful strategy for building your \$100 million real estate portfolio. If you are already a real estate investor, this will become the go-to book for taking your game to the next level. If you are a new investor, this book will provide you a powerful way to enter the game of real estate investment. The PlayBook will take you through twelve "Plays," each one an important part of your real estate investing strategy. In the end, you will have a complete blueprint for building your own \$100 million real estate portfolio. Let's Gooooo!

What does it take to be successful in property investment? How can you start with nothing but a very ordinary level of savings, and amass a portfolio that means you'll never need to work for anyone else again? Beyond the Bricks is a window into the lives of 9 UK-based investors who've done exactly that. Through long-form interviews with them we learn exactly how they did it, what their lives are like now, and what they recommend to anyone just starting out. Of course, "success" is a relative term. During the book you'll meet people ranging from Mark, who amassed a portfolio worth millions, to Serena, whose few houses saved her family from financial ruin. And along the way you'll meet Kim, who was unstoppable prior to the credit crunch, nearly lost everything, and found an innovative way to stay afloat. The day-to-day life of a property investor isn't necessarily what you'd expect either. Fast cars and exotic holidays are represented... but so too are sprinting in pursuit of rent cheques, pottering around in a dressing gown all day, and helping a tenant with cancer by driving her to hospital appointments. This book is less of a "how to" than a "how you could". It won't give you one formula for success, but many practical ideas and inspiring

examples that you can use to craft your own property investment story. With all jargon clearly explained, this book will be an educational and entertaining read for those who are yet to get started, as well as a rich source of new ideas for more experienced investors. Praise for "Beyond The Bricks" "Put this on your list of property must-reads" - Property Tribes, Book of the Month "A compelling read" - Property118.com "These stories will entertain and inspire you all the way through to the end" - Your Property Network magazine

The definitive guide to building a profitable commercial property portfolio Rethink Property Investing offers practical advice for both new and established investors looking to move beyond traditional residential real estate and enter the profitable world of commercial properties. Scott and Mina O'Neill, Australia's leading commercial property investors and founders of Rethink Investing, show you how they retired at the age of 28 and now live off the income generated by their \$20 million property portfolio. This invaluable guide dispels the investing myths and demystifies complex property principles and strategies using a clear, straightforward, and easy-to-understand approach. This is the book Scott and Mina O'Neill wished they had when they started out: an honest, no-nonsense book filled with practical examples, personal stories, expert advice and real-world information. Whether you're a residential property investor looking to go to the next level or an experienced investor seeking a more advanced approach to commercial property, Rethink Property Investing is written to help you earn enough passive income to retire early and enjoy life. Learn how you can achieve unlimited success through commercial property investing using simple yet powerful strategies from two people who have already done it—and are willing to share their wisdom. Rethink Property Investing will teach you to: Follow the 7 Easy Steps and use the Top 5 Property Plays to build a commercial property portfolio How Scott and Mina O'Neill built a \$20 million portfolio in 10 years and how you can follow their strategy Maximise the performance of your existing property portfolio using proven techniques Profit from the different ways commercial properties perform in the COVID-19 environment Enjoy the virtually limitless success that commercial property investing can bring Now is the time to create wealth in the long term with commercial property investing. From developing an investment mindset to financing and managing your property, Rethink Property Investing will guide you through every step. Taxes! Boring and irritating, right? Perhaps. But if you want to succeed in real estate, your tax strategy will play a HUGE role in how fast you grow. A great tax strategy can save you thousands of dollars a year - and a bad strategy could land you in legal trouble. That's why BiggerPockets is excited to introduce its newest book, The Book on Tax Strategies for the Savvy Real Estate Investor! To help you deduct more, invest smarter, and pay far less to the IRS!

Updated for 2015! The recession is over, house prices are heading steadily upwards again, and you're convinced that property could be your key to financial freedom. And it could. But where do you start? Do you invest near where you live, or wherever yields are best? Do you rent to families, or professionals, or students? Should you be trawling through Rightmove or lurking at property auctions? This short book covers the big questions you should be asking yourself before you so much as glance at an estate agent's window. It contains a jargon-free explanation of basic investment principles, summaries of the major post-crunch investment strategies, and advice on developing a mindset that will support your long-term success. The book also includes a curated "further reading" list of recommended books, magazines, forums, blogs and podcasts to help you confidently take your next steps in your property investment journey. You'll learn... How to pick an investment strategy that matches your skills and goals The only three calculations you need to know to size up any deal An overview of every major investment approach, from the most safe and boring to the probably-not-a-good-idea-but-here-you-go-anyway How to (safely and sustainably) stretch a limited pot of cash to build whatever size portfolio you want ...although you will need to endure some pretty shocking jokes along the way. Sorry about that. Praise for "Property Investment For Beginners"... "The book is very easy to read and the explanations

are very clear, with some good humour to boot! With a good set of references and online links, this book is a must for anyone interested in property investment." - P Cowley "A property investment book that keeps it simple. I really enjoyed it, and will use it as my main point of reference. Unlike most of the other books, the reader doesn't have to endure the rags to riches rubbish and the inevitable sales pitch for further training." - Nesser "I stumbled across this book randomly on Amazon and I'm so pleased I did - it has given me an excellent overview of what it is to invest in property and has really helped me to focus on my specific goals. It has also opened my eyes to a world of useful tools and contacts which I may never have found without it. Other books may have been able to do this but I'm not sure they would've been so enjoyable to read. If you are thinking of investing in property, or perhaps already are but want to take it further, this is a must read book." - whatkatythinks "When you buy this book, you are not only getting a property wizard, you are also getting a warm-hearted guy. In his book, Rob mentions several times that you can contact him via email and he'll try to help you out. And HE DID! I tentatively emailed him with some questions and he replied right away! Of course, I know he's probably not able to do this for everybody, but even if he just replied to one question, he has proven that he's genuine and kind. And what he replied me with is thoughtful, honest and probably saved me a fortune in the end. Totally worth every penny. Get the book!" - kaitlinjj Scroll up and hit "Buy Now" to start turning your property dreams into reality!

Property Tycoon offers a complete and incredibly revealing guide to EVERY aspect of residential property investment: whether you're looking to just dip into buy-to-let or want to use property to build up a substantial and life-changing income. Covering buying, managing, maintaining, financing and selling UK property, this book is written by someone who has made a success of buy-to-let investment for more than 20 years and through two booms and busts. Written in plain English, and filled with real-life case studies, it reveals the secrets of: - the questions every successful property investor asks themselves before buying a property - how to secure capital for your investment properties - where to get tradesmen, agents, mentors and tenants you can rely on - what it takes to manage and maintain different kinds of property portfolio and how to take your portfolio to the next level when the time is right - when to buy and sell, and how to make sure you get your way in auctions and off-plan deals. With housing in ever-increasing demand, and UK values showing an average rise in value of 9% a year for the last 60 years, today represents a great opportunity for anyone interested in entering the buy-to-let world. Property Tycoon is the friendliest and most up-to-date guide available. From the author of Amazon best-sellers "Property Investment For Beginners" and "Beyond The Bricks" Over the last 20 years, more than a million Brits have made life-changing profits from buy-to-let. But as prices keep rising and the tax landscape changes, investors need to get smarter in order to succeed. It's far from "game over," but the game is changing... for the better. The unwary and under-prepared will be squeezed from the market - leaving educated, strategic investors to have their best decade yet. The Complete Guide To Property Investment gives you the insight, information and action plan you need to navigate this new property landscape and come out on top. It starts by demonstrating - with real-life examples - a range of strategies suited to achieving different investment goals. Only then does it take you step

by step through every aspect of researching, financing, buying and managing investment properties. You'll learn: How to formulate a strategy suited to achieving your investment goals Everything you need to know about financing your investments An exact step-by-step research process you can use to decide what to invest in How to manage your investments What the property cycle is, and how you can use it to your advantage How to build a profitable portfolio for the long-term - including scaling up, surviving recessions, and exit strategies. Whether you're turning to property to secure your retirement, start a new career or generate a stream of passive income, this book will be the most valuable investment you make.

Real Estate 100 continues its real estate series for the next generation. This time around, the focus shifts to income property. Anthony Lee, real estate professional and seasoned investor partners with Lisa Puerto, Super Agent, to share savvy tips and real experiences on real estate investing. First-time buyer or first-time investor, this is a mindset shift to your investment blueprint.

Property Life started out on Instagram, providing property education, inspiration and advice to budding investors. The original '100 tips' have been carefully refined and improved over the last two years in order to create this book. 100 Lessons for Successful Property Investing leaves no stone unturned, ensuring you have everything you need to succeed. This book will teach you absolutely everything you need to know about buy-to-let investments in the post-COVID 'New Normal', broken down into 100 easily digestible lessons. Through the application of the unique methods introduced in this book, you will be well equipped to confidently create your own successful property portfolio and make money work for you. You will learn about exciting new concepts and strategies for researching location, adding value to property THRICE, financing property with 'good debt' and assessing investment potential using key calculations. You will come to understand why inflation is every property investor's secret weapon, how the 18-year property cycle operates (and how to act during each phase) and the types of investments available to you. You will also cover everything surrounding tax, tenancing and much, much more. This book includes lots of additional BONUS material, including the 10 things you should NOT do, access to the ROI, Yield and Stress Test Calculator ©, a full breakdown of the THESIS © research model and membership to a Property Life Circle ©.

Updated for 2018 - includes all the tax and legislative changes announced during 2017. By the author of the UK's most popular property book, The Complete Guide To Property Investment. Please note that this book only covers letting and management of a property you already own. For a guide to buying the right property in the first place, you should buy 'The Complete Guide To Property Investment'. Take a property, throw in a tenant and watch the money roll in. This seemingly simple formula has attracted nearly two million people in the UK to become landlords, but the reality is a whole

lot more complicated. Did you know, for example, that if you forget to provide a certain piece of paper you might be unable to evict a tenant - even if they don't pay the rent? Or that you could be fined for not checking your tenant's immigration status? And don't forget the inevitable broken boilers, mysterious leaks and various tenant complaints that always seem to happen at the most inconvenient time. *How To Be A Landlord* is a straightforward guide to everything involved in letting and managing a property - whether you're an accidental landlord or an enthusiastic investor. In simple and entertaining language, it covers important steps like preparing the property to let, advertising for tenants, conducting viewings, doing all the paperwork, managing the tenancy, and dealing with any tricky situations that crop up (including the dreaded emergency repairs and evictions...). You'll learn: How to set yourself up for success when preparing a property to let Where to find the perfect tenants for your property The essential checks you must make to avoid a nightmare tenant Everything you need to do when setting up a tenancy to avoid problems later How to deal with the most common maintenance issues and repairs The proper legal processes to follow when you have troublesome tenants Top tips from experienced landlords for how to look after your tenants - keeping them happy, your property safe, and the rent rolling in Frequently updated and with contributions from over 50 experienced landlords, this is the most current and comprehensive book on the subject - and essential reading for anyone who wants a simple, profitable life as a landlord. From Award-winning Property Developer and Mentor Bindar Dosanjh, this book is for any woman who wants to control their financial future. There is a property investing strategy for everyone regardless of financial or personal circumstances. Bindar teaches a safe and secure way to start property investing.

So you've made your real estate investment, now the question is: How are you going to make it successful? Maximize its potential? MMake it grow? One word: management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. In his new book, he reveals the key to his success, exceptional property management, and teaches you its most important principles, showing you how to fundamentally succeed where others fail. *THE ABC'S OF PROPERTY MANAGEMENT* tells readers: How to decide when to manage your property and when to hire someone to do it How to implement the right systems and structures for your investment How to manage and maximize cash flow What to expect: a month in the life of an owner-manager How to find the right property manager (and avoid the wrong ones) How to assemble a superior management team.

Practical, actionable insights from the frontline of property When it comes to property investment, there's always something new to learn - regardless of whether you're a beginner or you've been investing for years. *100 Property Investment Tips* compiles practical and real-life insights from experienced investors, mortgage advisers, developers and letting agents. From sussing out the best deals and financing your investment to organising your taxes and dealing with

tenants, it's all here - helping you to make more money with less stress. Among the 100 curated, carefully organised tips in this book, you'll learn: Why you're doing your calculations all wrong How to use leverage to multiply your returns How to delegate The realistic alternatives to buy-to-let Why - and how - to buy below market value How to compete when you're constantly priced out by other buyers Ways to add value How to win at auctions Why you should get over your fear of interest-only mortgages What counts as an "expense" - and how to claim it A ton of nifty tips, tricks and hacks for sourcing, financing and managing your property The tips are organised into the following sections: Get started in property investment Find a deal Finance your investment Deal with tenants and management Focus on your strategy and goals Sort out your tax and accounts Tips, tricks and hacks Whatever your level of experience, you're sure to find some great new ideas to make you a more effective property investor.

Whether you're buying or selling, investing in big commercial properties or single-family rentals, you'll find expert guidance and handy resources on every aspect of real estate finance, including: \* Proven, effective valuation techniques \* Finance tips for all different kinds of property \* How various financing strategies affect investments \* Structuring financial instruments, including leverage, debt, equity, and partnerships \* Measurements and ratios for investment performance, including capitalization rates and gross rent multiplier ratios \* Future and present value analysis \* How the appraisal process works \* Primary appraisal methods- replacement cost, sales comparison, and income capitalization- and how to know which one to use \* How to understand financial statements, including income, balance, and cash flow \* Case studies for single-family rentals, multifamily conversions, apartment complexes, and commercial office space \* A detailed glossary of important real estate terminology

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at

the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Buy Low Rent High will: - Challenge the conventional approach to property investing - Teach how anybody can buy property with no money - Explain why now is the best time to invest in property - Reveal strategies that work in the real world to create fast financial freedom "This is the #1 Property Investing book of all time!" - Benevolence Mac Samuel Leeds has helped thousands of investors towards achieving their goal of financial freedom. Being able to make complicated strategies become simple philosophies, Samuel has earned a reputation for being one of the most inspiring investors in the U.K.

Over the many years that we've been serving real estate investors, one of the most asked questions on our site has been, "How Do I Get Started in Real Estate Investing?" New investors will love the fundamentals and even experienced investors will appreciate the high-level view of strategies they may have never even considered. Don't let some guru tell you what the right path is for you. Read How to Invest in Real Estate and see all the paths in one place, so you can make the best choice for you, your family, and your financial future. This book will help new investors get a firm foundation to build their investing business upon. With topics ranging from how to gain a solid real estate education, real estate niches, financing, marketing, and more, this book is truly the definitive guide for helping new investors learn the ropes.

- Advanced Rental Income Analyzer, Wholesaling Deal Analyzer, Symon's Exclusive Fix & Flip Property Analyzer, and more!

\*GIVING BACK\* ClydeBank Media proudly supports the nonprofit AdoptAClassroom

Tough-minded real estate developer and star of The Apprentice, Donald Trump asked 100 of the world's most successful real estate experts to tell him the best real estate advice they ever received. The answers are insightful, practical, and particularly helpful for anyone wanting to profit from the current uncertain real estate market, whether commercial or

private.

You may be surprised to learn that according to this new book by property experts Ben Kingsley and Bryce Holdaway, you don't need to accumulate a 10+ property portfolio to create a \$2,000 passive income in your retirement. And you'll only need to spend approximately 10 hours per property a year managing your portfolio when you have everything in place. Sound easy? Well that's why it's the 'Armchair' guide. Of course, when you've started your early retirement and are enjoying this level of passive income, you'll probably spend your time travelling, having fun with family and friends, enjoying your sports and hobbies rather than sitting in your armchair! The Armchair Guide to Property Investing is a comprehensive book. Readers are given all the fundamentals about investing, money and risk management, as well as the tools to get them started in the first two parts of the book. In the third part, the authors share the 18 investment strategies that in their vast experience have worked for thousands of their clients - and themselves - over the years. The last section discloses six case studies where you will discover how six very different investors - a young single, a couple who started investing early, a couple who left it a bit late (luckily it's rarely too late), a single parent and a couple with no kids - all built portfolios which will deliver \$2,000 income in their retirement. And it's written in plain-English, in a friendly style that makes it an easy book to read.

Whether you are renting out part of your home, or investing in a property, this guide to the constantly changing market and its laws will prove to be invaluable. Whether you've inherited a home you now need to rent or you're aiming to become a property tycoon, this friendly guide is your road map to success.

Overview There's more to property than buy-to-let. In fact, there are so many different approaches, it's hard to keep track of them all. It can take years to get to grips with the various strategies and longer still to master them. This book is designed to help you shortcut that journey by teaching you the typical "plays" behind most property success stories and the techniques everyday investors are using to build robust and profitable portfolios. The Property Investment Playbook is a two-volume course designed to give you an overview of the strategies successful property investors are using to grow their portfolios. Volume 1 is aimed at new investors and at investors who've stuck to one main strategy and are looking to expand their horizons. In Part One, we'll run through everything you need to know and do while getting ready to invest. We cover things like how to set your goals, how to get your personal finances in order, and how to put the right team around you to maximise your chances of success. In Part Two, we'll cover all the things you can do to build your capital base, including a range of strategies to help you save harder and build deposits quicker and some creative ways to use your own home to build equity and generate additional income. In Part Three, we'll cover the core strategies like buy-to-let, refurbishments and how to flip properties for a profit. We'll also look at advanced financing techniques, joint ventures

and at other business models like holiday lets. Whether you're new to property or a seasoned professional looking to improve what they do, this book is your guide to all the strategies, techniques and plays you need to build your portfolio.

List of Chapters Part One : Getting yourself ready to invest Play # 1 - Get straight on your property goals Play # 2 - Get yourself out of debt (personal finance tip # 1) Play # 3 - Work to a budget (personal finance tip # 2) Play # 4 - Clean up your credit score (personal finance tip # 3) Play # 5 - Invest in your personal development Play # 6 - How to decide on your property strategy Play # 7 - Assemble your property dream team Play # 8 - Get set up with the right tax structure Play # 9 - Find yourself a property mentor Part Two : Gathering your resources Play # 10 - Get a second job or start a side hustle Play # 11 - Consider a radical baselining Play # 12 - Saving for your first investment Play # 13 - Buy a home with an investment case Play # 14 - Earn extra cash letting out a spare room Play # 15 - Switch to an interest only mortgage Play # 16 - Flip your own home for a profit Play # 17 - Discover alternative sources of finance Play # 18 - The young professional landlord Play # 19 - The home extension strategy Part Three : Making your first investments Play # 20 - The basic buy-to-let investment Play # 21 - The light refurbishment project Play # 22 - How to use equity in your own home Play # 23 - How to use a second mortgage charge Play # 24 - Try your luck with seller financing Play # 25 - Flipping properties for a profit Play # 26 - Partner up for a flip (JV strategy # 1) Play # 27 - Pool your deposits (JV strategy # 2) Play # 28 - Short term / holiday lets (aka the airbnb strategy) Play # 29 - Run your property as serviced accommodation Play # 30 - Sweating your property assets

The revolutionary guide that challenged businesses around the world to stop selling to their buyers and start answering their questions to get results; revised and updated to address new technology, trends, the continuous evolution of the digital consumer, and much more In today's digital age, the traditional sales funnel—marketing at the top, sales in the middle, customer service at the bottom—is no longer effective. To be successful, businesses must obsess over the questions, concerns, and problems their buyers have, and address them as honestly and as thoroughly as possible. Every day, buyers turn to search engines to ask billions of questions. Having the answers they need can attract thousands of potential buyers to your company—but only if your content strategy puts your answers at the top of those search results. It's a simple and powerful equation that produces growth and success: They Ask, You Answer. Using these principles, author Marcus Sheridan led his struggling pool company from the bleak depths of the housing crash of 2008 to become one of the largest pool installers in the United States. Discover how his proven strategy can work for your business and master the principles of inbound and content marketing that have empowered thousands of companies to achieve exceptional growth. They Ask, You Answer is a straightforward guide filled with practical tactics and insights for transforming your marketing strategy. This new edition has been fully revised and updated to reflect the evolution of content marketing and the increasing demands of today's internet-savvy buyers. New chapters explore the impact of technology, conversational marketing, the essential elements every business website should possess, the rise of video, and new stories from companies that have achieved remarkable results with They Ask, You Answer. Upon reading this book, you will know: How to build trust with buyers through content and video. How to turn your web presence into a magnet for qualified buyers. What works and what doesn't through new case studies, featuring real-world results from companies that have embraced these principles. Why you need to think of your business as a media company, instead of relying on more traditional (and ineffective) ways of advertising and marketing. How to achieve buy-in at your company and truly embrace a culture of content and video. How to transform your current customer base into loyal brand advocates for your company. They Ask, You Answer is a must-have resource for companies that want a fresh approach to marketing and sales that is proven to generate more traffic, leads, and sales.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one

of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

A complete guide to all aspects of property development and investment. Not only will this book help you to make a profit from property, it will also save you time and money. An insider's guide from someone who's been there and done it all. So, you want to become a property developer? But where do you start? And how do you make a success of property investing? In this candid book, he reveals how he's developed

his £5 million property portfolio, sharing his successes and failures to accelerate your growth as a property investor. Take control of your future. The time is now for property investment.

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Break the Chains, Achieve Financial Freedom, and Leave the 9-to-5 With US Real Estate Are you interested in real estate investing, but aren't sure how to begin? Do you want to live your life on your terms, create true long term wealth, and break the chains of a J-O-B? Do you want to achieve financial freedom? Do you feel confused by US investment lingo, or unsure you have the ability to make a career of it? Do you wish you could make millions and free yourself from that desk ... for life? You, my friend, need the help of Reed Goossens and his new book, Investing in the US: The Ultimate Guide to US Real Estate. This bold instruction manual, taught by a surprisingly down-to-Earth real estate investor, brings passion and excitement to a subject that most consider inaccessible. Goossens shares knowledge built on almost a decade of real estate success and hundreds of millions of dollars worth of controlled assets which has allowed him to achieve financial freedom, quit his JOB, and live his life on his terms! Wish this same story could be yours? It can. This guide will teach you how to: Get started in the exciting, yet daunting, world of real estate investment Decode the complicated lingo and insider speak of the industry Find the right investment market for your needs and abilities Review the competition and find your opening Become a financing expert and choose the right options for you Spin deals to your advantage and close them with aplomb Turn these steps into a reliable, repeatable process Ditch debt, break the chains and leave your 9-to-5 behind Live a life of design, intention and success, every day Of all the investors in the US market, Reed Goossens is perhaps the most qualified to teach US investing. As an Australian, he had to learn the tricks of the trade from nothing, exploring the market from the outside in. The result: A no-nonsense approach lacking in preconceived notions and chock full of winning strategies. Before beginning his real estate investing career, back in 2009, Goossens' civil engineering background took him around the world. He was an integral part in projects ranging from Australia to the US, Fiji to Europe, and even worked on the 2012 Summer Olympic Games. His worldly approach plus hard-hitting (but fun!) approach makes this the perfect read for anyone looking to transition from the cubicle to the unfettered life - just like he did. If Reed can move halfway across the globe in order to achieve financial freedom, then so can you! Ready to give life a CRACK, as Goossens would say? Don't wait. Buy this book NOW. Pick up your copy today by clicking the BUY NOW button at the top of this page!
