In this "raucous, moving, and necessary" (San Francisco Chronicle) story by a Pulitzer Prize finalist, the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. National Bestseller and National Book Critics Circle Award finalist A New York Times Notable Book / One of the Best Books of the Year from National Public Radio, American Library Association, San Francisco Chronicle, BookPage, Newsday, BuzzFeed, Kirkus Reviews, St. Louis Post-Dispatch, Literary Hub "All we do, mija, is love. Love is the answer. Nothing

stops it. Not borders. Not death." In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, *The House of Broken Angels* is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. "Epic . . . Rambunctious . . . Highly entertaining." --New York Times Book Review "A raucous, moving, and necessary book . . . Intimate and touching . . . the stuff of legend." --San Francisco Chronicle "An immensely charming and moving tale." --Boston Globe

Mary Therese Panos, "Mae," has been let down by

too many people in her life. When she is ten years old, she is shipped off to boarding school by her uncle. She clings to the dream that her mother will rescue her from her loneliness, and they will be a happy family once again. Her mother never comes, and Mae struggles year after year at St. Mary's. To hide her vulnerabilities, she puts up a prickly exterior and dabbles with drugs. Her stabs at self-definition are sometimes funny, sometimes scary. Many years and impulsive choices later, Mae's unhealthy methods of coping only get worse. Now, she's stuck as a stereotypical seventies housewife with a husband who was certainly not her first choice. The only joy in her life is her daughter, Kristy. It's not enough to ward off days filled with depression and self-hatred. Mae discovers that the act of cutting herself is the only thing that allows her to feel connected. As she plunges deeper and deeper into her cycle of drug abuse and self-harm, Mae will have to confront the demons in her past. It's her only chance of breaking the cycle and becoming the mother Kristy deserves.

Old Lives Matter! Gag notebook present or guest book for the 50th 60th 70th 80th birthday.
