Saab has gone, but its cars and its loyal band of owners remain. In this photographic album, internationally known Saab author and commentator Lance Cole celebrates all things Saab. In a collection of over 200 photographic images accompanied by a detailed yet engaging commentary, the book delivers a record of Saab from its first car to its last. The engineering, design, and ethos of Saab's cars across the generations are captured in all their glory. The author of many Saab articles and several Saab books, this is Lance Cole's new view on Sweden's other car maker – one that really did build cars to a different standard. Saab Celebration is designed to be a memorial companion for the Saab fan. If you like Saabs, then enjoy this tribute to all things Saab. "Consumer Reports Used Car Buying Guide" gives shoppers comprehensive advice on more than 200 models, including reliability histories for 1992-1999 models of cars, SUVs, minivans, and pickup trucks. 225+ photos & charts.

Diagnostics, or fault finding, is a fundamental part of an automotive technician's work, and as automotive systems become increasingly complex there is a greater need for good diagnostic skills. *Advanced Automotive Fault Diagnosis* is the only book to treat automotive diagnostics as a science rather than a check-list procedure. Each chapter includes basic principles and examples of a vehicle system followed by the appropriate diagnostic techniques, complete with useful diagrams, flow charts, case studies and self-assessment questions. The book will help new students develop diagnostic skills and help experienced technicians improve even further. This new edition is fully updated to the latest technological developments. Two new chapters have been added – On-board diagnostics and Oscilloscope diagnostics – and the coverage has been matched to the latest curricula of motor vehicle qualifications, including: IMI and C&G Technical Certificates and NVQs; Level 4 diagnostic units; BTEC National and Higher National qualifications from Edexcel; International Motor Vehicle qualifications such as C&G 3905; and ASE certification in the USA.
