It's not easy to have enemies everywhere ... but con artist Max O'Brien is a man of the world. Read all three of Max's adventures in this special ebook collection. The Kashmir Trap — Book #1 Professional con man Max O'Brien is on the run from police when he learns that his diplomat nephew has been assassinated in New Delhi. Eleven years earlier, Max's brother mysteriously disappeared while serving as an ambassador. Determined to find answers this time, Max goes to India, on the verge of war with Pakistan, to unravel a violent past. The Roma Plot — Book #2 When con man Max O'Brien hears that one of his best friends is wanted for the murder of twenty-three people in Romania, he heads to Bucharest to uncover the truth. As Max uncovers secrets reaching back to Europe's darkest days, he ends up with one foot in the present and the other in the past, scrambling to save his friend's future. The Tanzania Conspiracy — Book #3 Max O'Brien travels to Tanzania to solve a friend's murder, but finds himself wrapped up in the murky history of a killing spree of African albinos, and facing the possibility that his friend may have been collateral damage of a gruesome slaughter. Could the connection be real? Even in the face of horror, Max will stop at nothing to find out.

The Role of Engine Oil Viscosity in Low Temperature Cranking and Starting, Volume 10 presents the methods for measuring the low temperature viscosity of engine oils that would correlate with the Coordinating Research Council (CRC) engine test results. This book discusses the historical background, technical progress, and the role of engine oil viscosity in low temperature cranking and starting of engines. Organized into 18 chapters, this volume starts with an overview of the importance of oil viscosity in cold starting. This text then discusses the major effects and other factors that play a part in cold starting, including oil viscosity, oil pumpability, battery condition, fuel volatility, ignition efficiency, engine clearances, and starter motor characteristics. Other chapters consider the progress in motor oil whereby multiple viscosity graded oils are capable of meeting two or more SAE

viscosity grades that introduced some technical problems. The final chapter deals with the development of a reciprocating viscometer. Automotive engineers will find this book useful.

A three-book bundle of essential advice for budding entrepreneurs, coming from one of the best in business. Includes: **Everyday Entrepreneur – #1** Tim, whose career is stagnating despite his having a good job, has developed some software that could be the basis of his own successful business, but he can't decide whether to set up on his own, which is how he ends up in a class on entrepreneurship conducted by a man named Sam. By focusing on the qualities of a successful entrepreneur and by learning from Sam's wide-ranging experience, Tim and his fellow students learn to make important decisions about their future. **Family Entrepreneur – #2** Sam returns as frustrated individuals immersed in family businesses enroll in his entrepreneurship course. For ten years Mary has worked at her brother's business, and has seen her younger brother join the company and receive shares while she got none. Driven by doubts about her ability to change the culture of the business or succeed outside it, Mary signs up with Sam. Her class includes three others: a son considering taking over a family business, a successful business owner employing her two daughters, and a man with a stormy working relationship with his sister. **Ageless Entrepreneur – #3** This book explores the economic, social, and technological forces that are pushing people into business for themselves at earlier and later stages in their lives than in the past. Whatever their reasons — doors opened by new technology, the self-reliance of owning a robust business — students gather once more to learn how to succeed at any age.

My Temporary Life (Book One) #1 BESTSELLER - ROMANTIC SUSPENSE #1 BESTSELLER - CONTEMPORARY FICTION It has everything, simply everything—a coming of age, a romance, and a thriller all rolled into one delightful read. My Name Is Hardly (Book Two) A beautiful girl goes missing and does not want to be found, A soldier is given his last and most dangerous mission, A vow is made to a dying friend. Gerald "Hardly" McDougall is a forgotten man. He's abused, bullied, and left behind. The only escape left is to join the British Army. At first, he's a reluctant soldier. Then, everything changes when tensions in Northern Ireland escalate, and the Army need a man with a particular set of characteristics. Hardly's assignment takes him into the heart of the troubles where he lives in the same houses as the IRA soldiers he's fighting against. All Good Men Must Fall (Book Three) Is it possible to start over? Do ghosts from the past really disappear? Can you leave them behind in a different country, a different life,

and pretend they never existed? Malcolm has everything he ever wanted. He returns home to Scotland to live with his partner, Heather and her daughter, Emily. Their extended family includes his father and his best friend, Hardly. When Heather begins to hear strange noises in their old house, she knows who it is. She believes that her father, who was pronounced dead, has tracked them down and has come to take back Emily. Lies I Never Told – A Collection of Short Stories It's what we do. We make our own beds. We become thirty, then forty. We divorce and re-marry and visit our children on weekends, and work at jobs we never dreamt of doing, and have too many relationships with people we don't like. On the outside we look like any other forty-year-old hero. We're not though, because it never goes away. No matter how hard we try to hide it, inside we're still seventeen, sitting at the river, looking for the girl with the brown eyes. In this intensely personal collection of short stories, bestselling author Martin Crosbie writes about relationships, sex, children, infidelities, guilt, and sometimes, the absence of guilt.
