Have you ever been a witness to the power of God's love? Have you ever questioned the authenticity of God's working power? If so, this book is for you!

Behind the pages of this inspirational memoir is a woman who walked through the fires of life and escaped the jaws of death. Her endurance was not just the ability to bear difficult times but to turn it into glory. Let this book help you learn how to heal from the inside out. The memoir of Psalmist Paulette Martin paints a picture of how one can overcome adversity by faith in God and recover from many debilitating challenges in life and learn the intended lesson despite the wounds of the circumstance to bounce back and spring forward on the journey to one's purpose. Through divine inspiration, this journey and life experiences' mission is to leave a legacy and encourage every man, woman, boy, or girl who has ever been hurt and conditioned to feel as though their life was devalued, rejected, or

disconnected from people to whom respect was given but was lacking in return. The unique message in this memoir is to learn how to become healed from the hurt and brokenness from the inside out from a biblical perspective, and to learn to love yourself and others again because of the wisdom gained in the journey.

A great collection of more than 200 songs of praise and worship, including: All of Me * Alleluia * Amazing Grace * As We Gather * Communion Song * Holy, Holy * My Peace * Silent Night * What a Friend We Have in Jesus * and many more. Also features indexes by title, by topic, and by Scripture reference. This book brings together the newest and the most innovative scholarship on Nigerian children—one of the least researched groups in African colonial history. It engages the changing conceptions of childhood, relating it to the broader themes about modernity, power, agency, and social transformation under imperial rule.

This youth songbook features 156 group songs, and is designed especially for academy and college use. It includes classics such as Side by Side, action songs, scriptural songs, antiphonal canons, plus many other praise songs. Guitar chords are included. Accompaniment CDs are also available. *Congregational Music, Conflict and Community* is the first study of the music of the contemporary 'worship wars' – conflicts over church music that

continue to animate and divide Protestants today – to be based on long-term in-person observation and interviews. It tells the story of the musical lives of three Canadian Mennonite congregations, who sang together despite their musical differences at the height of these debates in the late 1990s and early 2000s. Mennonites are among the most music-centered Christian groups in North America, and each congregation felt deeply about the music they chose as their own. The congregations studied span the spectrum from traditional to blended to contemporary worship styles, and from evangelical to liberal Protestant theologies. At their core, the book argues, worship wars are not fought in order to please congregants' musical tastes nor to satisfy the theological principles held by a denomination. Instead, the relationships and meanings shaped through individuals' experiences singing in the particular ways afforded by each style of worship are most profoundly at stake in the worship wars. As such, this book will be of keen interest to scholars working across the fields of religious studies and ethnomusicology.

Dolly Parton's success as a performer and pop culture phenomenon has overshadowed her achievements as a songwriter. But she sees herself as a songwriter first, and with good reason. Parton's compositions like "I Will Always Love You" and "Jolene" have become American standards with an

impact far beyond country music. Lydia R. Hamessley's expert analysis and Parton's characteristically straightforward input inform this comprehensive look at the process, influences, and themes that have shaped the superstar's songwriting artistry. Hamessley reveals how Parton's loving, hardscrabble childhood in the Smoky Mountains provided the musical language, rhythms, and memories of old-time music that resonate in so many of her songs. Hamessley further provides an understanding of how Parton combines her cultural and musical heritage with an artisan's sense of craft and design to compose eloquent, painfully honest, and gripping songs about women's lives, poverty, heartbreak, inspiration, and love. Filled with insights on hit songs and less familiar gems, *Unlikely Angel* covers the full arc of Dolly Parton's career and offers an unprecedented look at the creative force behind the image.

One of the first books to shine a light on the broad scope of translation studies, this Routledge Translation Classic is widely regarded as a pillar of the discipline. Authored by one of the most influential translation theorists of the twentieth century, *Translation, Rewriting, and the Manipulation of Literary Fame* shows how rewriting – translation, anthologization, historiography, criticism, editing – influences the reception and canonization of works of literature. Firmly placing the production and

reception of literature within the wider framework of a culture and its history, André Lefevere explores how rewriting manipulates works of literature to ideological and artistic ends, and demonstrates how rewriting a text can give it a new, sometimes subversive, historical or literary status. Ranging across various literatures, including Classical Latin, French, and German, and here reissued with a new foreword by Scott G. Williams, this is a seminal text for all students and specialists in translation studies, literary theory, and comparative and world literature.

Contemporary worship continues to gain strength as the form of worship of choice for many churches across the country. *The Art of Worship* is a complete resource to which a musician or pastor can turn when asked to lead contemporary music. It provides in-depth instruction to every aspect of contemporary worship leadership--from assembling the team to choosing the music to conducting rehearsals. Author Greg Scheer takes a balanced, holistic approach, embracing the contemporary style without denying older traditions and encouraging excellence without ignoring the realities of the local church context. Worship team leaders, musicians, and pastors looking for a quality, comprehensive resource need look no further.

Almost every congregation is experiencing tension over worship. Many congregations have been participating in a renaissance of worship known as the "liturgical movement" and have reclaimed worship forms that have served the church for centuries. Yet because the church today is operating in a radically changed cultural environment, many people in our society do not understand liturgical worship and thus we must find language, music, themes, and images that speak to the unchurched, spiritually seeking person. In *Beyond the Worship Wars*, Thomas G. Long discusses the nine characteristics of vital and faithful worship practiced by a wide range of "third-way" congregations—all characteristics that make for vital and faithful worship (Fake Book). This superb entry-level fake book features 100 Christian hits, all in the key of C with simplified chords and easy-to-read, large music notation. Includes: Abba (Father) * All Because of Jesus * Amazing Grace (My Chains Are Gone) * Awesome God * Bring the Rain * East to West * El Shaddai * Everlasting God * Friends * Give Me Your

Finally, under one cover, the very best of traditional choruses together with the very best of contemporary worship songs in a words-only edition! Using ethnographic research methods, this book examines the religious vitality of two Christian intentional communities. The book argues that explanations of religious vitality are irreducible to one another, concluding that explanations of religious vitality exist in a nexus, rather than previously conceived cause and effect relationships.

This book analyses the most sung contemporary congregational songs (CCS) as a global music genre. Utilising a three-part music semiology, this research engages with producers, musical texts, and audiences/congregations to better understand contemporary worship for the modern church and individual Christians. Christian Copyright Licensing International data plays a key role in identifying the most sung CCS, while YouTube mediations of these songs and their associated data provide the primary texts for analysis. Producers and the production milieu are explored through interviews with some of the highest profile worship leaders/songwriters including Ben Fielding, Darlene Zschech, Matt Redman, and Tim Hughes, as well as other music industry veterans. Finally, National Church Life Survey data and a specialized survey provide insight into individual Christians' engagement with CCS. Daniel Thornton shows how these perspectives taken together provide unique insight into the current global CCS genre, and into its possible futures.

Psalms for Preaching and Worship a key addition to the critically acclaimed three-volume Lectionary Commentary / Despite the rich resources available for studying the Psalms, few are as focused on their place in worship and preaching as is this volume. The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts. The many ways that

psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section. I know of no work that combines practice and substance better than this lectionary commentary. Patrick D. Miller / Princeton Theological Seminary / A fascinating book well organized, well written and edited, thorough, and informative. . . . An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms. In addition, worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship. Highly recommended. Sidney Greidanus / author of *Preaching Christ from the Old Testament* and *Preaching Christ from Genesis* / Here is something even better than a simple completion of *The Lectionary Commentary*, which would be cause enough for gratitude. . . . Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship. Marguerite Shuster / Fuller Theological Seminary / Contributors: Nancy R. Bowen, William P. Brown, Walter Brueggemann, Richard J. Clifford, Nancy L. deClaiss-Walford, Jennifer S. Green, Karl N.
