Be more effective with less effort by learning how to identify and leverage the 80/20 principle: that 80 percent of all our results in business and in life stem from a mere 20 percent of our efforts. The 80/20 principle is one of the great secrets of highly effective people and organizations. Did you know, for example, that 20 percent of customers account for 80 percent of revenues? That 20 percent of our time accounts for 80 percent of the work we accomplish? The 80/20 Principle shows how we can achieve much more with much less effort, time, and resources, simply by identifying and focusing our efforts on the 20 percent that really counts. Although the 80/20 principle has long influenced today's business world, author Richard Koch reveals how the principle works and shows how we can use it in a systematic and practical way to vastly increase our effectiveness, and improve our careers and our companies. The unspoken corollary to the 80/20 principle is that little of what we spend our time on actually counts. But by concentrating on those things that do, we can unlock the enormous potential of the magic 20 percent, and transform our effectiveness in our jobs, our careers, our businesses, and our lives.

Features of Florida Real Estate License Exam Prep (FL-RELEP): - Florida Practices & Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (80 pages) - Real Estate Math Key Formula Review & Practice (20 pages) - 20 Practice Tests (575 questions with explanations also in FREC 1 order) - Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works – or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific – not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of 'key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook, Principles of Real Estate Practice in Florida – one of the most widely used principles textbooks in Florida. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. A word about the tests. The FL-RELEP's test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that

using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready.
