Jarvis Williams' commentary on Galatians is a commentary of one of Paul's most rhetorically charged and polemically sharp letters. Williams writes a commentary of the letter, not a commentary of commentaries. He grounds the letter in grammatical-historical exegesis, seeking to help readers understand Paul's Greco-Roman and Second Temple Jewish context of the letter. Additionally, the book seeks to move from exegesis to application in a few places in the commentary. The strength of the commentary is that it offers a lucid and concise exegesis grounded in Paul's first century context and applicable for twenty-first century readers.

This book deals with "Saint Paul" (of Tarsus) who was a highly learned person. He had no personal acquaintance with Jesus Christ. He was a great persecutor of Jesus Christ and his followers. But on the vision of Jesus Christ on the road to Damascus, he became a stronger believer, follower, preacher and Apostle of Jesus Christ and adapted Jesus's Way of Life. However, he altered and contradicted most of Moses and Jesus's teachings. During his missionary exhortations, Saint Paul was hounded by Jews for his controversial views and teachings. Rejected by Jews, Saint Paul turned his attention towards Gentiles who accepted him as an Apostle of Jesus and adapted his contentious teachings which are questionable and debatable even today.

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Galatians is one of the apostle Paul's most impassioned and eloquent letters. It warns Christians of the dangers of both legalism and lawlessness, while calling them to live lives that are shaped by the gospel. In this study, pastor Geoff Ziegler walks readers through the promises, warnings, and gospel declarations found in Galatians. Both accessible and theologically robust, this study will help Christians find freedom in their identity as God's adopted children.

There are two categories of individuals who pray in the Body of Christ: those who pray problem-based prayers and those who pray solution-based prayers. Which are you? Let the Word of God be like a hammer that smashes the rocks in pieces. Do you want to learn how to pray dynamic prayers that make God fight for you? Begin by praying solution-based prayers that focus on the Word of God. When you learn the art of praying the Word of God, you can expect victory every time. Activate your faith and start praying God's Word. God is faithful to His Word and watches over it in order to perform it. When we ask anything according to God's Will, we will have the answers to our requests. God's Word is His Will. May Your Kingdom come, we pray Your Will today, Heavenly Father. Amen.

Are you looking for a renewed freedom, excitement and joy in your spiritual life? That's exactly what we found when our church began an 18 week walk through the book of Galatians. Each week as we carefully studied Galatians, we found God exploding our hearts with newfound freedom, excitement and joy! This book is a commentary compiled from our study of Galatians. It is divided into three parts: I - Gospel Apologetic (Galatians 1-2): In these chapters, Paul defends his ministry and the source of his gospel. II - Gospel Expression (Galatians 3-4): In these chapters, Paul mines the glorious truths of the gospel and powerfully lays them out for his readers. III - Gospel Implications (Galatians 5-6): In these chapters, Paul brings his high theology to the everyday life of a believer and clearly illustrates how our lives should be radically reoriented and transformed in light of the gospel.

Designed for the pastor and Bible teacher, this series brings together commentary features rarely gathered together in one volume. Written by notable evangelical scholars, each volume in the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of the passage in the original Greek. The series consistently provides the main point, an exegetical outline, verse-by-verse commentary, and theology in application in each section of every commentary. Critical scholarship informs each step but does not dominate the commentary, allowing readers to concentrate on the biblical author's message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find these books beneficial. The ZECNT series covers the entire New Testament in twenty volumes; Clinton E. Arnold serves as general editor. In this volume, Thomas R. Schreiner offers pastors, students, and teachers a focused resource for reading Galatians. Through the use of graphic representations of translations, succinct summaries of main ideas, exegetical outlines and other features, Schreiner presents Paul's Epistle to the Galatians with precision and accuracy. Because of this series' focus on the textual structure of the scriptures, readers will better understand the literary elements of Galatians, comprehend the author's revolutionary goals, and ultimately discover their vital claims upon the church today.

Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Do the Law and the Gospel belong to two separate dispensations? Has the Gospel replaced the Law? What is the relevance of the Old Testament Law to our lives as Christians? Is there continuity between it and what Christ expects of us in the Gospel? It is no secret that Christians have differed widely on these questions. This book explores five major approaches to this important biblical topic that have developed in Protestant circles. Each of the five authors presents his particular perspective on the issue and responds to the other four. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

As progressivism, identity politics, and moral relativism engulf our nation, Christians find themselves living in an increasingly hostile environment. This current state of affairs has many feeling disillusioned and helpless. Combined with escalating governmental intervention, a deepening racial divide, and a declining moral base, many are finding it more difficult to live by one's faith. Never before in our nation's history has Christianity faced such a hostile environment. In *Leading in a Secular World*, Richard A. Hardy defines biblical leadership principles to overcome the challenges of leading in this troublesome climate. Founded upon Jesus's last prayer before His crucifixion, these principles define the purpose and goal of biblical leadership. When paired with supporting biblical truths, these concepts will bring clarity to the social chaos we are now witnessing and healing to strained race relations. This book was written for any Christian interested in turning our nation back to God and making a difference in the communities in which they live. It is a practical guide to establish, reinvigorate, and transform your leadership. These concepts will support current leaders and empower a generation of future ones.

Focusing on Paul's own statement about the Galatian crisis, Yon Kwon demonstrates that the letter is Paul's pastoral engagement with the backsliding Galatians rather than his theological altercation with his opponents, Paul deals with the crisis in Galatia by reminding the Galatians of the implications of their present deviation for their future - the 'not yet'-, instead of affirming the blessings already realized in Christ - the 'already'.

Anyone who is interested in the rigorous study of early Christianity and who has not engaged with the works of James D.

G. Dunn is not really interested in the rigorous study of early Christianity. No one would dispute that Professor Dunn is one of the most prolific New Testament scholars of the late twentieth and early twenty-first centuries. And while a handful of scholars might have a list of publications to rival his own extensive publications list, none of them could claim to have set the agenda of scholarly study to the extent that Jimmy Dunn has done for a sustained period of time since the 1970s. The Holy Spirit and Christian Origins comprises a selection of original essays that explore a topic that has held a prominent and distinctive place in the majority of Professor Dunn's publications. Written by twenty-seven leading scholars, this singular volume probes deep into the nascent Christian communities and their writings and investigates the early Christians' convictions concerning the Holy Spirit. Ranging widely through Scripture and across early church history, many of these essays introduce groundbreaking research in biblical studies, and some engage directly with Dunn's work in the field. Presenting some of the best new work in New Testament studies as well as celebrating a respected career, The Holy Spirit and Christian Origins will help to stimulate further discussion and reflection in the theological academy and in the Christian church -- two sectors that Jimmy Dunn has consistently and passionately sought to straddle, nurture, and refresh. How can Christians in the midst of a pagan culture live lives truly pleasing to God? In this revised BST volume, John Stott helps us understand how Paul's letter to the Galatians holds true in the face of current challenges to our faith. Guiding readers passage by passage, he provides helpful background, highlights key themes, and offers applications for Christians today.

"This book] represents an experiment in understanding Paul from the perspective of Jewish eschatology--an experiment, it must be said, which many believe has already been weighed and found wanting. I attempt to argue, below, however, that the failure of this method in the hands of Montefiore, Schweitzer, and others was due to an underestimation of the complex nature of first-century Judaism. When the Judaisms of late antiquity are allowed a voice in the debate on Paul, Paul appears as less a renegade than a reformer. . . ."The argument below must not be taken to conclude that there was no discontinuity between Paul and Judaism. It is only an attempt to show that in his basic attitude toward the law Paul stands in continuity with parts of the Hebrew scriptures and with many Jewish contemporaries." --from the Preface Frank Thielman is professor of divinity at Beeson Divinity School of Samford University where he has taught New Testament for nearly twenty years. He is the author, among other books, of Paul and the Law: A Contextual Approach, The Law and the New Testament: The Question of Continuity, and Theology of the New Testament: A Canonical and Synthetic Approach.

Jarvis J. Williams argues that the Jewish martyrological ideas, codified in 2 and 4 Maccabees and in selected texts in LXX Daniel 3, provide an important background to understanding Paul's statements about the cursed Christ in Gal. 3.13, and the soteriological benefits that his death achieves for Jews and Gentiles in Galatians. Williams further argues that Paul modifies Jewish martyrology to fit his exegetical, polemical, and theological purposes, in order to persuade the Galatians not to embrace the 'other' gospel of their opponents. In addition to providing a detailed and up to date history of research on the scholarship of Gal. 3.13, Williams provides five arguments throughout this volume related to the scriptural, theological and conceptual, lexical, grammatical and polemical points of contact, and finally the discontinuities between Galatians and Jewish martyrological ideas. Drawing on literature from Second Temple traditions to directly compare with Gal. 3.13, Williams adds new insights to Paul's defense of his Torah-free-gentile-inclusive gospel, and his rhetoric against his opponents.

Have you ever felt like you do not belong here? Like this world is not your home? If so, you will identify with the author as she shares deep questions she pondered from childhood. After a series of tragic events, followed by years of grief, Rose finds answers given by the Lord that are both comforting and encouraging. The Lord imparts these insights using the analogy of each of our lives to our heavenly home. Although all homes have similar rooms with similar purposes, their design and furnishings are different. In the same way, many lessons are universal, yet we are still each unique and in need of the Lord's words spoken to us individually. Throughout this book, Rose shares universal lessons while encouraging others to seek God's words to them alone. The good news, given to all of us, is that in God's kingdom, there is a place for every...one.

Lewis, these sermons reveal the purpose of God's law to both proclaim God's holiness and righteousness and to make readers aware of their need for a Savior. (Practical Life)

Recent scholarship on the historical Jesus has rightly focused upon how Jesus understood his own mission. But no scholarly effort to understand the mission of Jesus can rest content without exploring the historical possibility that Jesus envisioned his own death. In this careful and far-reaching study, Scot McKnight contends that Jesus did in fact anticipate his own death, that Jesus understood his death as an atoning sacrifice, and that his death as an atoning sacrifice stood at the heart of Jesus' own mission to protect his own followers from the judgment of God.

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell
