He's walked out and she still wants him back. Thousands of discouraged and hurting women ask, "Is there anything I can do to win my husband back?" Though there are plenty of books on divorce, few talk about what it takes to initiate reconciliation. Dr. Gary Smalley and Dr. Greg Smalley offer women a biblically based strategy for winning back their mate. Included is an appendix of additional resources on organizations, counseling centers, video series, and books that have proven particularly helpful in this situation. Full of practical advice and realistic encouragement, *Winning Your Husband Back* can help heal a marriage. And whether the marriage is healed or not, the ideas will also help readers become responsible for their own choices and draw nearer to God.

Cheryl Broussard made two vows: She'd never fall for an abusive man, and she'd never return to her Louisiana hometown. But she's learned all too well the lesson of never-say-never. Now, back in Bijou Bayou after fleeing from an abusive boyfriend, Cheryl finds work as a Hospice nurse. While reading a dying patient's Korean War love letters, family secrets shatter Cheryl's beliefs about her family and herself and shed light on the reason she fled her hometown. When the Broussard family secrets are revealed, can Cheryl deal with the truth and accept the blessing of a second chance for relationships with her family, old friends, and with the God she never really knew? Find out in this Bijou Bayou novel from reader favorite, Marian P. Merritt. Worth Lassiter had spent his life watching out for his sisters. But now they were all happily married and he was free. Free to have the adventures he'd always dreamed about. Until single mom Elizabeth Randall and her baby son entered his life... Elizabeth had told herself a husband was the last thing she needed. But she couldn't ignore her baby's smile whenever Worth came near—or how her body reacted to his kisses. Still, she wasn't going to be the one to tie Worth down. Unless, of course, that was exactly what he wanted...

A hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice. "Get this for your pregnant friends, or yourself." --People Recommended by Nicole Cliffe in Slate Featured in People Picks A Red Tricycle Best Baby and Toddler Parenting Book of the year One of Mother magazine's favorite parenting books of the year How Not To Hate Your Husband After Kids tackles the last taboo subject of parenthood: the startling, white-hot fury that new (and not-so-new) mothers often have for their mates. After Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper? Many expectant parents spend weeks researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child. Enter Dunn, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today. On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI hostage negotiator on how to effectively contain an "explosive situation." Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate--and rebuild--your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, *How Not To Hate Your Husband After Kids* is an eye-opening look at how the man who got you into this position in the first place is the ally you didn't know you had.

A week-long trip. A fake marriage. And seven delicious nights with only one bed in the hotel room. He's my business partner, my good friend, and the man I've craved for years. But I've resisted the sexy Brit, and I plan to keep up my walls because I've been there, done that, and I know how much it hurts when you let someone into your heart. Then an opportunity comes along for us to snag the business deal of a lifetime. The catch? We need to pretend we're married to pull off this high-stakes deal. So the clever, charming man with secrets a mile deep becomes my temporary husband, as we travel around Europe. Soon, we fall into bed, tangled together like newlyweds who can't keep their hands off each other. One week to explore our fantasies, then we return to who we were. But when I learn the dark secrets he's been keeping, I doubt we can go back. Because they change everything. *My One-Week Husband* is a standalone.

A fascinating exploration of the changing face of social customs and gender politics. Kirkus Reviews Nansamba is married off aged sixteen to young Ggalabuzi from a neighboring village. It is an arranged marriage in 1940s rural Uganda and she works hard to build a prosperous household together with her easy-going and hardworking husband. Twelve years into the marriage, Ggalabuzi exercises his male right to enter into a second marriage without telling his wife; and does so with her younger sister Mucwa. Nansamba navigates this hazardous marital and familial road with extraordinary wisdom, courage and dignity. At twenty-eight, educated, city-born Biiti is considered an old maid. Her anxious relatives find her a rural husband past his prime and with a secret history. He soon destroys their marriage and she abandons it to become a successful businesswoman and anchor of her family. For a quarter of a century relatives, friends and in-laws from Nansamba and Biiti's families crisscross each others lives and create much drama and many children, including four sets of twins.

Smalley shows readers how to identify certain core fears lurking in their hearts and to appropriately deal with them so they no longer drive unhealthy patterns that can severely damage loved ones and friends. She can finally have the one thing she wants. All she has to do is play the happy wife...and not fall in love with her husband. It's been three years since Annie Baracas left her husband, Vegas casino owner Nathan Reed, and he still hasn't signed the divorce papers. So when Nate finally offers to set her free, Annie will agree to any terms. Even if that means temporarily resuming her role as his wife to help him catch a thief. But what starts as a public display quickly turns very private. And Annie can't help wondering what it might be like to stay in Nate's bed...for as long as they both shall live.

USA TODAY BESTSELLER • In this charming Oxford Novel, hailed by Keri Ford as “a sizzling-loud friends-to-lovers story,” Lauren Layne poses a provocative question: What do you do when you fall in love with your sister's ex? A year ago, Jackson Burke was married to the love of his life and playing quarterback for the Texas Redhawks. Now he's retired, courtesy of the car accident that ruined his career—and single, after a nasty scandal torpedoed his marriage. Just as he's starting to get used to his new life as a health and fitness columnist for Oxford magazine, his unpredictable ex shows up on his doorstep in Manhattan. Jackson should be thrilled. But he can't stop thinking about the one person who's always been there for him, the one girl he could never have: her younger sister. Mollie Carrington can't say no to Madison. After all, her older sister practically raised her. So when Madison begs for help in winning her ex-husband back, Mollie's just glad she got over her own crush on Jackson ages ago—or so she thought. Because as Mollie reconnects with Jackson, she quickly forgets all her reasons to stay loyal to her sister. Tempted by Jackson's mellow drawl and cowboy good looks, Mollie is sick and tired of coming in second place. But she can't win if she doesn't play the game. Kate has the perfect marriage, a handsome husband and a beautiful new baby - so she is more than a little surprised when one Monday morning Alex announces that he's leaving. Shocked and distressed at both his absence and his silence, Kate turns to Google for some answers. Why has her husband left and more to the point what can she do to make him come home? Together with her faithful friend Fiona they come up with a strategy to persuade her errant husband to see the light and return to his loving wife. Unfortunately for Kate, even Google doesn't have all the answers

You always said if your man cheated, you'd leave him so fast his head would spin. But now that it's happened it's not so black and white, is it? Caroline Madden, MFT is an affair recovery specialist. She has over a decade of experience in helping couples challenged by infidelity in marriage and teaching women how to survive their husband's affair. In *Fool Me Once*, she shares the criteria she uses to determine if a man is truly remorseful and determined to save his marriage or if he will continue to cheat and hurt you. Here is some of the information she shares: * 5 Things That Look Suspiciously Like Your Spouse is Still Cheating (But He Probably Isn't) * 5 Signs You Should Consider Giving Him A Chance to Rebuild Trust & Intimacy After infidelity * 7 Signs He is Going to Cheat Again (And You Will Be Hurt Again) Infidelity is traumatic, and you need to take time to assess the situation. *Fool Me Once* will give you the tools you need to evaluate your relationship. It will help you determine whether you should trust your husband or not and decide if your marriage is worth saving. Don't Make a Decision Now That You'll Regret Later ! As they say "Fool me once, shame on you. Fool me twice, shame on me." Infidelity, Divorce Advice, Affairs In Marriage, affair recovery

Crucial issues are discussed here which will improve and save any marriage. Issues such as: understanding spiritual foundations in marriage, what a wife must do to win back an unfaithful husband, what a wife must do to rekindle the love of a husband who treats her with contempt.

The ordeals of the POWs put to slave labour by their Japanese masters on the Burma Railway have been well documented yet never cease to shock. It is impossible not to be horrified and moved by their stoic courage in the face of inhuman brutality, appalling hardship and ever-present death. While Barry Custance Baker was enduring his 1000 days of captivity, his young wife Phyllis was attempting to correspond with him and the families of Barry's unit. Fortunately these moving letters have been preserved and appear, edited by their daughter Hilary, in this book along with Barry's graphic memoir written after the War. *Surviving the Death Railways* combination of first-hand account, correspondence and comment provide a unique insight into the long nightmare experienced by those in the Far East and at home. The result is a powerful and inspiring account of one of the most shameful chapters in the history of mankind which makes for compelling reading.

Too often, couples enter remarriage unaware of potential problems and unprepared for the challenges stepfamily life will bring. *The Heart of Remarriage* takes a unique approach to success in remarriage by going straight to the heart, helping couples heal from the inside out rather than offering surface suggestions that may change circumstances but not the lives of couples and their families. Drs. Gary and Greg Smalley partner with remarried couple Dan and Marci Cretsinger to offer this marriage-changing idea: No matter what circumstances or challenges a remarried couple and their stepfamily face, the solution starts in their hearts. Remarried couples will learn how to examine their own hearts and heal them from the hurts of the past, so that they can be filled with God's love and let that love overflow to their family members. *The Heart of Remarriage* teaches readers how to create emotional security for every family member and offers practical ideas for connecting at the heart level with their spouse, children, and stepchildren. Couples will be encouraged to keep their hearts open and challenged to leave a family legacy of love.

This book is a practical action plan that will walk you through the first stages after your wife has discovered your infidelity. You'll learn the things your wife is going to feel, say, and

do, giving you the following: * Insight into what she is thinking and why this is so hard for her to get over * Practical advice so you know exactly what to do at this important stage * Actual scripts so you know what to say in response to very specific situations * Clear explanations as to why certain words and actions you think will be helpful might be making this worse * Two self-administered quizzes to help you determine why you cheated so that you can get a better understanding of what triggered your affair. Included at the appropriate points are scripts of what to say and why you need to say those words at that time. Do not just memorize these words and parrot them back to your wife. You have already lost her trust; if you start using words you don't normally use, you'll sound like you're faking it. You will want to translate the scripts into your own natural wording, using the meaning of each script as a launching pad for productive, healing dialogue with your wife. Also, other these other questions are answered: * She doesn't know. I feel guilty. Should I tell her the truth? * We aren't married yet? How does that impact recovering from the affair? * I didn't have a physical relationship with my Affair Partner, why is my wife so upset? * What is an Emotional Affair?

'I laughed and laughed my way through this book from start to finish!!... I found it so funny that I rolled from one laugh straight to into another one for most of the book!... I loved this book so much I finished it in a day – I think that tells you everything you need to know!! Fab, fab, fab!!' Stardust Book Reviews, ?????? It's normal to prefer getting a filling at the dentist to spending time with your husband, right? I thought I was sorted on the life front. I was a heart surgeon with a loving partner and two gorgeous little girls. Except my husband's version of 'loving' is lying, cheating and sleeping his way around London. Which means I definitely deserve a refund. Unfortunately, moving on isn't that simple. Just because I know how to operate on a heart doesn't mean I know how to fix my broken one. Plus, I lost the receipt for him years ago so I'm definitely getting short changed. But now I'm single, am I ready to mingle? There are a few minor issues: 1) The last time I went on a date double denim was in fashion and my eyebrows were horrendously overplucked. 2) Men wear stupidly skinny jeans now. 3) I don't know how to use dating apps but at least I don't have to get changed out of my pyjamas. 4) Sometimes the most promising thing you have in common with a guy is a shared love of prawns. 5) I don't know whether to open a date with 'hi' or 'hello' or 'hey' and once I ended up saying 'howdy'. Everything happens for a reason, they say. There's plenty more fish in the sea. But what happens when everything falls apart and you haven't got a clue how to go fishing? An absolutely hilarious and utterly relatable tale for anyone who has ever survived a nightmare relationship, felt a little lonely or nursed a broken heart with wine and carbs. This feel-good novel will get you back on your feet and genuinely laughing out loud. Perfect for fans of Why Mummy Drinks, Sophie Randal and Sophie Kinsella. Readers absolutely love Can I Give My Husband Back?: 'The BEST book I have read for a long time! A book has never made me laugh like this one... Made me laugh until I couldn't breathe, I had tears rolling down my face and I had to force myself to put it down for a bit to recover. This book has it all: it's laugh-until-you-risk-passing-out funny, it made me cry, the characters are highly relatable and I loved every second of it... If I could give it more than 5 stars I would!' Goodreads Reviewer, 'A side-splittingly hilarious romp that had me wiping away tears I was laughing so much... It's just as well that I was in lockdown and I couldn't read this book anywhere in public because I was laughing so hard, I would have surely embarrassed myself... Wickedly funny, deliciously witty and a joy from start to finish.' Bookish Jottings, ?????? 'OMG... LOVED IT!!!... Just pure LOL all the way through... A MUST-READ for when you could do with a laugh!' The Book Girls, ?????? 'Oh my goodness... Made me laugh so much my sides hurt... Definitely the pick-me-up and anxiety-buster I needed.' Little Miss Book Lover 87, ?????? 'Brilliant... It's not often that a proclaimed "laugh out loud" book makes me do so, yet laugh out loud I did.' NetGalley Reviewer, ?????? 'Had me chuckling out loud and I think I almost actually jumped off my chair at one point.' This Hannah's Life 'Had me in stitches.' B for Bookreviewer, ?????? 'Jam packed with so so many laugh out loud moments, honestly I just couldn't stop laughing. Also I found this very easy to read and it only took me 2 days to read, it was that good I just flew through it!' Jessica Book Biz, ?????? 'An unputdownable, hilarious and over-the-top read that entertained me for a whole day non-stop... Really got me laughing out loud.' Roving Book Worm 'Fantastic... My belly hurts from laughing.' NetGalley Reviewer, ?????? 'Hilarious!... I loved every second of this book.' Goodreads Reviewer, ?????? 'I absolutely loved this book! It reminds me of Bridget Jones but better if that's possible.' The Book Club Africa, ?????? 'I laughed and laughed my way through this book from start to finish!!... I've never found a character that I've found so funny as what Lucy is!!... I rolled from one laugh straight to into another one!... An absolute belter of a book!!! I loved this book so much I finished it in a day – I think that tells you everything you need to know!! Fab, fab, fab!!' Stardust Book Reviews, ?????? 'I finished it in a mere few hours because I didn't want to put it down... I haven't laughed this much while reading a book in a long time!... My only regret is that I devoured it so quickly... This is the perfect book to settle down and relax with on a particularly stressful day. (Or any day really! No matter how you're feeling, this book is wonderful and you need to read it OK? OK).' Reading in Autumn 'Hilarious, laugh-a-minute read! Had me chuckling aloud as I read, much to the consternation of my husband! Frank, funny and full of relatable family dynamics!... A real laugh-out-loud read of a book that I devoured in a day!' Domestic abuse at the hands of a spouse is a bitter reality that many men experience but are conditioned by society to hide. Abuse of men at the hands of women is something that does occur, but because of male pride and cultural conditioning, it often remains in the shadows. In To Hell and Back: My Life as an Abused Husband, author Kimber Broughton narrates the true story of Jonathan, a man who suffered a morass of abuse, psychological torment, and financial violation by his manipulative former wife, Stacy. This memoir describes Jonathan's twelve years of abuse—the hell he experienced, how he handled the cruelty, and how he was finally able to leave the marriage and overcome the after effects. This memoir tells one man's brutally honest story in order to share it with other men who are living through the nightmare of abuse. Detailing how to recognize the warning signs of abusive relationships and how to fight to get free of them, this book expresses that rebuilding pride and finding real love again after an abusive relationship is possible.
