Lisa is 4 years and 5 months old and Giulia 3 years and 4 months. One morning, the girls' father is taking them to nursery school. L: ... e bravissima, ha riscaldato l'auto. E' bravissima, vera? In praising the sun for having warmed up the car, Lisa has referred to it in the feminine gender, as in the German die Sonne. Her father corrects her by using the masculine gender. F: E' bravissimo. E' if sale. L: E' un maschietto, if sale? (Is the sun a little boy?) F: E' maschife. (It's masculine.) G [determined]: E' una femmina! (No, it's a girl!) F: Forse in tedesco. (Perhaps it is in German.) is left disoriented, speechless. Giulia This book is devoted to language acquisition in children who have been exposed to two languages since birth. It has often been said that the study of simultaneous bilingualism is the "most fertile ground" for the formulation of general theories on language acquisition processes, and indeed, most of the studies on early bilingualism aim in this direction. But in a sense this book serves the reverse purpose. Using the results of psycholinguistic research as a basis, I have sought to understand the peculiarities of the process of language organization in the child who faces the

problem of learning two languages when other children are learning only one. Thus, the recurring theme of my study is the diversity of bilingual as opposed to monolingual acquisition.

"Seitensprungkind" hatte für die Mutter eines erwachsenen Sohnes eine emotionale Familienzusammenführung zur Folge. Sieben Geschwister meldeten sich bei Regula Brühwiler-Giacometti, alle haben die gleiche Mutter und alle wurden sie weggegeben. In ihrem Folgebuch "Plötzlich Familie" beschreibt die feinfühlig Autorin die intensiven Gefühle, als sie ihre neuen Geschwister erstmals in den Arm schliessen konnte. Sie nimmt ihre Leser mit auf eine spannende Reise in unterschiedliche Biografien. Jede ihrer Halbschwestern und jeder ihrer Halbbrüder hat eine einzigartige Geschichte zu erzählen. Und alle diese Erzählungen finden letztendlich im neuen Buch "Plötzlich Familie" zusammen.

Themes, places, characters and voices of Elizabeth Jolley's Mr Scobie's Riddle are explored in detail in this monograph, which provides different narratological

and translational analyses of the novel, as well as an academic translation into Italian. Considering the challenges and issues posited by a literary work's translation helps to shed light on the original work itself. In this manner, the translation is to be seen as a further analytical instrument to gain insight into the original novel. The purpose of this work is to obtain a deeper understanding of the complicated microcosm created by Jolley in the nursing home of "St Christopher and St Jude": the typically Australian themes of migration, isolation, place and displacement; the Australian culture-specific elements; the ensemble of curious characters and their entertaining voices. This book strives to preserve the above elements in translation as the expression of something Other, a different culture, and to take Italian readers on a journey to the Australia depicted in Mr Scobie's Riddle so that Jolley's characters' voices can echo in the Italian language.

This study is the first to essay a systematic examination of the statements made by turn-of-the-century Viennese author Arthur Schnitzler (1862-1931) on Judaism and anti-Semitism. They are unique from various points of view, including their number, their continuity, and the long stretch of time they extend over (1880-1931). Over and above that, they are the expression of an intensive and many-sided engagement with Schnitzler's own Jewishness, with Austria, and

with German culture. Further, they are remarkable for their seismographic sensitivity to anti-Semitic tendencies of any kind, a quality that was anything but widespread at the time. In June 2005 I cut off my shoulder-length hair, leaving only a few millimetres. This was an outward expression of the inner changes I was going through. I then wanted to share those positive changes and encourage others to reflect upon themselves. I used my hair as a sign of my changes and integrated it into articles of clothing, accessories and jewellery. These items were lent to family members,

friends and people I encountered during everyday life. These artworks are also a vehicle for removing what I do from the gallery space. I wanted to spread my art to various places in the world, the participants turning into my gallery, reaching a different audience. This book is a documentation of all of the 'hairpieces' worn by myself and the responses of the project's 40 participants. It is published in German, English and Danish, as I use these languages to communicate with the people in my life.
