Davidson- Jared's Wolf Jared Rocke will do anything to avenge his sister's death, even believe in werewolves. What he doesn't believe is that he's attracted to Moira Wolfbauer, the she-wolf sworn to protect her pack. In Jared's Wolf, two enemies must join forces to stop a killer while learning that love defies all boundaries--even those between species. Alice Gaines-My Champion, My Love My Champion, My Love tells the tale of Celeste Broder, a woman committed for a sexy appetite that is tolerated in the men, but not the women of her time. She desperately needs a champion, and finds one in mayor Robert Albright. Liz Maverick- Kiss or Kill In this post apocalyptic world, Camille Kazinsky's military career rides on her ability to make a choice--whether the robo called Meat should live or die. Meat's future depends on proving he's human enough to live, man enough . . . Should Camille Kiss or Kill this man/machine that makes her feel like a woman? Just as Jamie Reynolds, aka JR, stepped outside of her comfort zone and lets her guard down with Toni, she quickly understood why she had it up in the first place. Toni was nothing like he pretended to be, and after three years of his lies, JR finally had had enough and found the courage to leave. JR didn't have many friends and was so embarrassed at her life's direction she tried to pretend she was okay, but her true friends knew better. This included David, her past lover, who was happy she was back in Atlanta, but things just weren't the same between them. Maybe because JR was still legally married to Toni, as he refused to sign the divorce papers, or maybe because David's life was moving forward and JR's life had fallen backwards. This new JR was nothing like her old self. JR was once a strong independent woman, but now she can't even look herself in the mirror without falling apart. After years of lies and now emotional abuse from Toni, who refuses to let her go, she just couldn't hold it all in and finally her emotions started to get the best of her. JR tried to drink her problems away, which only made things worse, as she truly lost her direction. Then her life unexpectedly came crashing down after her friendship with Terry took a turn for the worse. One by one JR not only lost her old friends, but she also lost her way, which led JR to seek help. Jenny was JR's saving grace, and after diving deep into her past, she finally began to uncover the hidden secrets of the real JR. Secrets even JR hid from herself. As Jenny encouraged JR to let her guard down yet again and explore dating, she met Mike, a twenty-five-year-old young professional who was nothing like Toni. He was educated, had a thriving career, and truly supported JR even after watching the drama unfold between Toni and her, but he never ran, and JR appreciated his strength. Lust and Lies was just the beginning as The Jamie Reynolds Chronicles continues and JR is faced with the newest chapter in her life, a life full of questionable memories into her past, present and future self.

This book is written in the style of the great Napoleon Hill. Think about this. With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as Napoleon Hill's "Think and Grow Rich", instead enable life-challenging success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades, I have devoted myself to studying and interviewing the most successful individuals across varying fields so that I could see and learn for myself the principles which sets them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success. Let's start at the beginning with a simple truth. Success is hard. Very Hard. Very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "We don't know what we don't know." So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple. If you want to increase your level of success, read this book. We all go through the same struggles. This book--simply but powerfully - is your instruction manual on how to overcome them. Read this book and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier overtime. If you don't want to keep making the same mistakes over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

In this steamy thriller from #1 New York Times bestselling author Sandra Brown, a savvy attorney in small-town Texas will stop at nothing to catch the man who murdered her mother. Alexandra Gaither is a beautiful lawyer who finally has the power to get what she's always wanted: justice. Armed with new evidence that could lead to an arrest and a conviction, Alex revisits the remote Texas town where her mother died twenty-five years ago. There she confronts the three powerful men who were with her mother the night she died: her former lover, his best friend, and the father figure to them both. Each is charming, each is a suspect, and each has secrets to hide. But none of them can stop Alex's determined search for the truth. Alex's relentless investigation creates controversy and excitement in this small community. And as she uncovers decades-old intrigues, someone capable of clever lies and remorseless acts decides she must be stopped. Now, with a one-month deadline from the attorney general to either wrap up the case or drop it for good, Alex must work diligently to catch her mother's killer . . . and find a way to stay alive.

My name is Alexis, though everyone calls me Lexie. I'm a Necromancer. We're rare enough that I've never met another in my life, until Claire came home to tell me she found one. In New Orleans. The fourth book in the USA Today bestselling Carly Moore series. Be careful where you dig... Life in Drum, Tennessee has been quiet since corruption was uncovered in the sheriff's department three months ago—too quiet. Still, Carly is shocked when she discovers one of her sweetest lunch customers at the tavern has committed murder in cold blood. Carly is certain the woman was fulfilling an infamous “favor” for

the town patriarch, Bart Drummond, but now she has to prove it. She already knew that Drum has two sides—the side they show the world, and the seedy underbelly. Only in Drum, all things seedy lead back to two men—Bart Drummond and the local drug king, Todd Bingham. The deeper Carly gets, the more she begins to question everything, even her desire to have her own family. But even if she could forget Bart's threat is hanging over her head, she can't forget that her father is still searching for her, ready to drag her back to her own death. She needs to uncover the truth, but everything is buried in secrets.

Greg Gilmore fought hard against returning to Hershey, PA. He has trouble breathing in a town with so many Morrisons running around. Janine Morris, a woman as deeply entrenched in secrets and special military skills as him, only adds to his discomfort. Keeping his family safe is his number one goal. So why do Janine's haunted amber eyes keep enticing him to throw away all his cares and concerns to join forces with a woman who could bring all his enemies right down on the Morrison Family?

The author presents his perspectives and personal experiences on mentalism and how it can be used to tap into the mind's hidden powers. A thrilling debut, reminiscent of new fan favorites like *One of Us Is Lying* and the beloved classics by Agatha Christie, that will leave readers guessing until the explosive ending. "Welcome to dinner, and again, congratulations on being selected. Now you must do the selecting." What do the queen bee, star athlete, valedictorian, stoner, loner, and music geek all have in common? They were all invited to a scholarship dinner, only to discover it's a trap. Someone has locked them into a room with a bomb, a syringe filled with poison, and a note saying they have an hour to pick someone to kill...or else everyone dies. Amber Prescott is determined to get her classmates and herself out of the room alive, but that might be easier said than done. No one knows how they're all connected or who would want them dead. As they retrace the events over the past year that might have triggered their captor's ultimatum, it becomes clear that everyone is hiding something. And with the clock ticking down, confusion turns into fear, and fear morphs into panic as they race to answer the biggest question: Who will they choose to die?

"When Wu Chien Shiung was born in China 100 years ago, girls did not attend school. But her parents named their daughter "Courageous Hero" and encouraged her love of science. This biography follows Wu as she battles sexism at home and racism in the United States of America to become what Newsweek magazine called the "Queen of Physics" for her work on how atoms split"--
