Four elite fae warriors. One mortal female. A magical bond they can't allow--or resist. Orphaned and sold to a harsh master, Lera's life is about mucking stalls, avoiding her master's advances, and steering clear of the mystical forest separating the mortal and fae worlds. Only fools venture into the immortal realms,

and only dark rumors come out... Until four powerful fae warriors appear at Lera's barn. River, Coal, Tye, and Shade have waited a decade for their new fifth to be chosen, the wounds from their quint brother's loss still raw. But the magic has played a cruel trick, bonding the four immortal warriors to... a female. A mortal female. Distractingly beautiful and dangerously frail, Lera can only be one thing--a mistake. Yet as the males bring Lera back to the fae lands to sever the bond, they discover that she holds more power over their souls than is safe for anyone... especially for Lera herself. Power of Five is a full-length reverse-harem fantasy novel.

The battle is won, but the war isn't over. With the new accords freshly signed, peace reigns between Solati, Bruma, and Ire folk at last. But the alliance hangs by a thread. Attacks on Ire folk continue. Those of high rank close in on every side, threatening to endanger the fragile truce. One wrong move in the newly formed tri-world exchanges could undo everything the leaders have worked for. Yet the actions of four men could ensure the opposite... Orphaned. Trained to fight. Raised to fear the power of Underhill. Secretly in love with a man who doesn't want me. I'm still just Alli, aka the half-human orphan fae, but my life is looking up for the first time. It only took me my whole 24 years. But when Underhill-the ancestral home of the fae-shatters, making it impossible for any fae to enter, I'm the only one who knows who did it. A secret that will be the death of me if I do nothing. A brutal madness spreads through the fae as they lose their connection to Underhill, and to save my people, my only choice is to leave all I have fought for and go on the run. Unless I figure out how the hell magic that has existed since the dawn of time was destroyed with a single touch, well, an entire life spent fighting to prove myself isn't going to mean anything at all. I must find the answer to the riddle of Underhill's shattering. Hunted by the very man I loved once upon a time. If you love Jennifer L. Armentrout, Sarah J. Mass, Holly Black or Elise Kova, you will love this dive into a world of the fae, forbidden love, and a story that will leave you breathless for more.

From Jessica Khoury, author of the Corpus Trilogy, comes a gripping story of royalty and rebellion, coursing across a far-away star system like a trail of jewels. An Ancient Curse. An Immortal Monster. A Forbidden Love. Seventeen year-old Hope Nicholas has spent her entire life on the run. With her mom, she's traveled from town to town, barely staying long enough to meet anyone, let alone make friends. If she wants to stay alive, she'll have to keep it that way. When her mother is murdered, Hope is left orphaned and alone. Is this the fulfillment of Apollo's curse? Is Hope, too, being hunted? Hope flees again, staying hidden now more important than ever. But learning to navigate mean girls, demigods, and shadow-monsters from the Underworld is nothing compared to enigmatic and persistent new-boy, Athan Michael. In a modern world still ruled by the Greek Gods, being a monster is more than a curse. It is a death sentence.

The War of the Spider Queen spreads... A hand-picked team of the most capable drow adventurers begin a perilous journey through the treacherous Underdark, all the while surrounded by the chaos of war. Their path will take them through the very heart of darkness, and the Underdark will be shaken to its core. If the powerful dark elves falter, the world below is open for Insurrection.

In the future, the world is at war. For the last decade, King Lazuli of the Eastern Empire has systematically taken over the world. All Serenity Freeman has known is bloodshed. War has taken away her mother, her home, her safety. As the future emissary of the Western United Nations, the last autonomous region of the globe, she is responsible for forging alliances where she can. Surrender is on the horizon. The king can taste it; Serenity feels it deep within her bones. There is no other option. Now the two must come face to face. For Serenity, that means confronting the man who's taken everything from her. For the king, it means meeting the one woman he can't conquer. But when they meet, something happens. Cruelty finds redemption. Only in war, everything comes with a price. Especially love.

“Ten days after the war ended, my sister Laura drove a car off a bridge.” These words are spoken by Iris Chase Griffen, married at eighteen to a wealthy industrialist but now poor and eighty-two. Iris recalls her far from exemplary life, and the events leading up to her sister’s death, gradually revealing the carefully guarded Chase family secrets. Among these is “The Blind Assassin,” a novel that earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time, it was a pulp fantasy improvised by two unnamed lovers who meet secretly in rented rooms and seedy cafés. As this novel-within-a-novel twists and turns through love and jealousy, self-sacrifice and betrayal, so does the real narrative, as both move closer to war and catastrophe. Margaret Atwood’s Booker Prize-winning sensation combines elements of gothic drama, romantic suspense, and science fiction fantasy in a spellbinding tale.

You know that group of people in school that everyone fears? Popular. Beautiful. The in-crowd? That was my family. Kind of. We were above that group. We held court over everyone else. We were the best looking. We were the mysterious and elusive ones. Most of the girls wanted to (and did) date the guys, but they didn't want to be one of us. They couldn't be. They were our prey. We were the feared. But like every family, nothing is as it seems. That was my truth. Kellan was in his own league. He was our leader and he was the one no one messed with. No one dared. He was ruthless, powerful, and no one could match him... Except for me. I was about to find out just how different I was from my family. **Evil is a full-length paranormal

This is one crown you don't want. Born and raised in the Dregs, the last thing I expected was the "honor" of being recruited to Crown Princess Academy. And by honor, I mean fighting for my life against the fae that rule our world. Our first exam is in three weeks and not every student will make it out alive... don't these bimbos realize that? I'm not fooled. I know how ruthless the fae can be. All the princess initiates are captivated by Lucas, the sexy fae Crown Prince who, in turn, seems fixated on me. He can't know that I'm actually the most powerful Malice Caster in the Dregs. I'm sure my talents for the Criminal Guild won't earn me any extra credit in my princess classes. All my life I've stayed one step ahead of the two-faced fae and their Malice, the out of control black magic that has nearly wiped out all of humanity. This is my chance to do more than survive--this is my chance to fight back. I'll play the Crown Prince's game. I'll wear the tiny initiate crown, dance in my glittering pink dress, survive the deadly exams, and ultimately graduate as the Crown Princess all while he thinks I'm playing right into his plans. He's in for a surprise when I reveal who I am and wipe that sexy, smug grin off his face... I just hope my heart doesn't forget he's the enemy. Crown Princess Academy: Book 1 is the first of a planned trilogy. As it is a series, there will be a cliffhanger. This is an upper YA/NA paranormal and fantasy series with enemies-to-lovers romance and HEA.

Magical Fantasy. Romance. Deception. All of my expectations shattered the day my sister fell, and my magic changed. Zivruno, the magi prince I'd loved since childhood, didn't become king. My sister didn't heal the land. The two of them didn't become bondmates. For years I waited in hiding, hoping for the promised rebellion. Instead, the cruel king's guards arrive and leave a trail of bodies in their search for someone. I know who they want. I just don't understand why. To find answers, I'm forced to return to Yandari and face my past. But I'm not the same girl anymore. Because now, I know family doesn't mean fidelity, devotion definitely requires sacrifice, and love? For Zivruno, I'll defy the law, regardless of nature or

magic. This coming of age fantasy is told in parallel timelines, building up to a shocking reveal that will leave you reeling and breathless.
