

Skorzeny Hitlers Commando

This "lively and action-packed account" of the infamous Gran Sasso raid chronicles the Nazi paratrooper operation that freed Mussolini (WWII History). As the Allied invasion tore through Italy in the summer of 1943, Benito Mussolini was suddenly overthrown by his own people and imprisoned on the remote Gran Sasso massif of the Apennine Mountains. But Adolf Hitler quickly devised a plan to rescue his ally and friend. On September 12, a small convoy of Nazi glider aircraft crash-landed near the mountain hotel where Mussolini was held. German commandos poured out of the half-wrecked planes and quickly overwhelmed the hotel. "I knew my friend Adolf Hitler would not abandon me," Mussolini told his rescuers. One of the most audacious commando operations of the twentieth century, the Gran Sasso raid was also the culmination of a bizarre friendship between two of the century's most infamous dictators. This vivid narrative recounts the drama of this secret six-week operation and the disreputable characters who pulled it off—including the raid's leader, Otto Skorzeny.

Ireland 1963. As the Irish people prepare to welcome President John F. Kennedy to the land of his ancestors, a German national is murdered in a seaside guesthouse. Lieutenant Albert Ryan, Directorate of Intelligence, is ordered to investigate. The German is the third foreigner to die within a few days, and Minister for Justice Charles Haughey wants the killing to end lest a shameful secret be exposed: the dead men were all Nazis granted asylum by the Irish government in the years following World War II. A note from the killers is found on the dead German's corpse, addressed to Colonel Otto Skorzeny, Hitler's favorite commando, once called the most dangerous man in Europe. The note simply says: "We are coming for you." As Albert Ryan digs deeper into the case he discovers a network of former Nazis and collaborators, all presided over by Skorzeny from his country estate outside Dublin. When Ryan closes in on the killers, his loyalty is torn between country and conscience. Why must he protect the very people he fought against twenty years before? Ryan learns that Skorzeny might be a dangerous ally, but he is a deadly enemy.

SS-Obersturmbannführer Otto Skorzeny became a legend in his own time. 'Hitler's favourite commando' acquired a reputation as a man of daring, renowned for his audacious 1943 mission to extricate Mussolini from a mountain-top prison. Skorzeny's influence on special operations doctrine was far-reaching and long-lasting - in 2011, when US Navy SEALs infiltrated Pakistan to eliminate Osama Bin Laden, the operational planning was influenced by Skorzeny's legacy. Yet he was also an egoist who stole other men's credit (including for the seminal rescue of Mussolini), brave and resourceful but also an unrepentant Nazi and a self-aggrandizing hogger of the limelight. Stuart Smith draws on years of in-depth research to uncover the truth about Skorzeny's career and complex personality. From his background as a student radical in Vienna, to his bloody service with the Waffen-SS on the Eastern Front, his surprise rebirth as a commando, and his intriguing post-war career and mysterious fortune, this book tells Otto Skorzeny's story in full - warts and all - for the first time.

Jacket subtitle: The Battle of the Bulge.

This book examines in unprecedented detail the advance of Germany's Army Group Center through central Russia, toward Moscow, in the summer of 1941, followed by brief accounts of the Battle of Moscow and subsequent winter battles into early 1942. Based on hundreds of veterans' accounts, archival documents, and exhaustive study of the pertinent primary and secondary literature, the book offers new insights into Operation Barbarossa, Adolf Hitler's attack on Soviet Russia in June 1941. While the book meticulously explores the experiences of the German soldier in Russia, in the cauldron battles along the Minsk-Smolensk-Moscow axis, it places their experiences squarely within the strategic and operational context of the Barbarossa campaign. Controversial subjects, such as the culpability of the German eastern armies in war crimes against the Russian people, are also examined in detail. This book is the

most detailed account to date of virtually all aspects of the German soldiers' experiences in Russia in 1941.

The New York Times bestselling author returns with a tale as riveting and suspenseful as any thriller: the true story of the Nazi plot to kill the leaders of the United States, Great Britain, and the U.S.S.R. during World War II. The mission: to kill the three most important and heavily guarded men in the world. The assassins: a specially trained team headed by the killer known as The Most Dangerous Man in Europe. The stakes: nothing less than the future of the Western world. The year is 1943 and the three Allied leaders—Franklin D. Roosevelt, Winston Churchill, and Joseph Stalin—are meeting for the first time at a top-secret conference in Tehran. But the Nazis have learned about the meeting and Hitler sees it as his last chance to turn the tide. Although the war is undoubtedly lost, the Germans believe that perhaps a new set of Allied leaders might be willing to make a more reasonable peace in its aftermath. And so a plan is devised—code name Operation Long Jump—to assassinate FDR, Churchill, and Stalin. Immediately, a highly trained, hand-picked team of Nazi commandos is assembled, trained, armed with special weapons, and parachuted into Iran. They have six days to complete the daring assignment before the statesmen will return home. With no margin for error and little time to spare, Mike Reilly, the head of FDR's Secret Service detail—a man from a Montana silver mining town who describes himself as “an Irish cop with more muscle than brains”—must overcome his suspicions and instincts to work with a Soviet agent from the NKVD (the precursor to the KGB) to save the three most powerful men in the world. Filled with eight pages of black-and-white photographs, *Night of the Assassins* is a suspenseful true-life tale about an impossible mission, a ticking clock, and one man who stepped up to the challenge and prevented a world catastrophe.

Military History and Collectibles; Otto Skorzeny only rose to the rank of Colonel in the SS, yet is one of the best known and colorful figures of the Third Reich, in large part because of the faith Hitler had in the tall Austrian engineer. Many books have been written about his career, to include autobiographies, but before he died in 1975 he personally entrusted Bender Publishing with the formidable task of producing the most detailed, up-dated and best illustrated version of his incredible life story. A quarter of a century later, after painstaking research into the text and a hunt for unpublished illustrations, the ultimate story of "Scarface" Skorzeny, "the most dangerous man in Europe" and Hitler's "commando extraordinary" is finally available. Complete with an exhaustive index, providing biographical details not found in the text, this is likely to be the last word on this larger than life personality, one of the great characters of World War II.

Top Secret Mission: The President suspends the laws of war. Use any means necessary to kill Hitler's greatest commando, Otto Skorzeny. Skorzeny and a company of Nazi SS soldiers have been transported back in time by Red China, tasked with murdering George Washington and assassinating the Founding Fathers. Green Beret Colonel Bob Lake, two Marine snipers, a beautiful intelligence expert, a Navy SEAL and an eccentric professor transport to Fort Duquesne and the bloody French & Indian War. The hunt for the most dangerous Nazi commando in history begins. If Skorzeny succeeds, the Thirteen Colonies will never unite as a country. 20th Century Germany will win WW I and China will emerge as the sole superpower of the 21st Century. Lake doggedly pursues the brilliant Colonel Skorzeny and his SS storm troopers through the colonial period and across the American wilderness, desperate to save the American Revolution. Through it all, deadly Indians threaten both the Nazis and the American commandos.

Het bizarre levensverhaal van SS'er Otto Skorzeny, die door sommigen 'de gevaarlijkste man van Europa' werd genoemd.

First Published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Het bizarre levensverhaal van SS'er Otto Skorzeny, die door sommigen 'de gevaarlijkste man van Europa' werd genoemd. Stuart Smith schreef de biografie van Otto Skorzeny, Hitlers favoriete commando. SS-Obersturmbannführer Otto Skorzeny was in zijn eigen tijd al legendarisch. Hitlers favoriete commando verwierf een reputatie als durfal en werd bekend om zijn missie in 1943 om de gevangen Mussolini te bevrijden. Het was de eerste actie in een reeks van spectaculaire special ops. Skorzeny's werkwijze beïnvloedde de aanpak van alle speciale operaties nadien – zoals bleek tijdens de eliminatie van Osama Bin Laden in 2011 door US Navy SEALs. Maar Skorzeny was naast onverschrokken en vindingrijk, vooral ook tot zijn dood in 1975 een overtuigende nazi en nietsontziende killer.

Hitler's Commando The Daring Missions of Otto Skorzeny and the Nazi Special Forces Skyhorse Publishing, Inc.

Otto Skorzeny, Germany's top commando in the Second World War, is one of the most famous men in the history of special forces. His extraordinary wartime career was one of high risk and adventure and here he tells the full story. Skorzeny quickly proved his worth in Yugoslavia and then Russia. In 1942 he was awarded the Iron Cross, and in April 1943 he was promoted to captain and named "Chief of Germany's Special Troops, Existing or to be Created in the Future." When Mussolini was imprisoned in Italy in 1943, it was Skorzeny who successfully led the daring glider rescue, winning the Knight's Cross and promotion as a result. Skorzeny's talents were brought into play again when he was sent to Budapest to stop the Hungarian regent Admiral Horthy from signing a peace with Stalin in 1944. Now dubbed "the most dangerous man in Europe" by the Allies he was awarded the German Cross in Gold. A few months later he took a critical role in the Ardennes offensive with a controversial plan to raise a brigade disguised as Americans with captured Sherman tanks. His captured colleagues spread a false rumor that he was planning to assassinate Eisenhower, who was consequently confined to his headquarters under guard for protection. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. Bestselling author Mark Frost makes a triumphant return to fiction with this riveting World War II thriller, based on a shocking real-life German operation run by "the most dangerous man in Europe." Fall 1944. Germany is losing, and the Americans are starting to hope they'll be home for Christmas. Lieutenant Colonel

Otto Skorzeny, "Hitler's Commando," famed for his daring rescue of the imprisoned Mussolini, has just received orders for Operation Greif: He is to assemble a new brigade of 2,000 men, all of whom speak English, and send them behind Allied lines disguised as GIs, where they will wreak havoc in advance of a savage new offensive. And from those men, Skorzeny is to select a smaller group, made up of the twenty most highly skilled commandos fluent in American culture, to attempt an even more sinister mission--the second objective--which, if completed, not only would change the course of the war, but would change the course of history. Filled with real characters and details only recently released by the United States military, *The Second Objective* is historical fiction at its most pulse-pounding, its most unpredictable, and its most compulsively readable.

Beretning om Otto "Scarface" Skorzeny, en af Nazitysklands mest berømte og dristige SS-officerer. Skorzeny var ekspert i ukonventionel krigsførelse og blev af Hitler personligt benyttet til at planlægge og gennemføre kommandooperationer bl.a. befrielsen af den italienske diktator Mussolini. Efter krigen spillede Skorzeny en rolle i et af SS oprettet netværk, der hjalp undvegne nazister med at flygte til lande, der var villige til at give dem asyl.

Otto Skorzeny, Germany's top commando in World War II, is the most famous man in the history of special forces. This book he tells the full story of the combat operations that made him a legend. When Mussolini was imprisoned in Italy in 1943, it was Skorzeny who successfully led the daring glider rescue. Skorzeny's talents were brought into play again in 1944 when he was sent to Budapest to stop the Hungarian regent Admiral Horthy from signing a peace treaty with Stalin. Then dubbed the most dangerous man in Europe by the Allies, he took a critical role in the Ardennes offensive with a controversial plan to raise a brigade disguised as Americans with captured Sherman tanks. His captured colleagues spread a false rumor that he was planning to assassinate Eisenhower, who was consequently confined to his headquarters for weeks. Skorzeny's memoirs vividly depict commando action and are a classic of special forces literature.

-- Personal story of Germany's top special forces man -- Details the rescue of Mussolini
Otto Skorzeny, Germany's top commando in World War II, is one of the most famous men in the history of special forces. His extraordinary wartime career was one of the high risk adventure. Among the exploits that earned him the reputation as "the most dangerous man in Europe" were the rescue of Mussolini in 1943 and the capture of the Hungarian regent Admiral Horthy just before he could sign a peace treaty with Stalin. In this book Skorzeny tells the full story.

By early 1945, the destruction of the German Nazi State seems certain. The Allied forces, led by American generals George S. Patton and Dwight D. Eisenhower, are gaining control of Europe, leaving German leaders scrambling. Facing defeat, Adolf Hitler flees to a secret bunker with his new wife, Eva Braun, and his beloved dog, Blondi. It is there that all three would meet their end, thus ending the Third Reich and one of the darkest chapters of history. *Hitler's Last Days* is a gripping account of the death of one of the most reviled villains of the 20th century—a man whose regime of murder and terror haunts the world even today. Adapted from Bill O'Reilly's historical

thriller Killing Patton, this book will have young readers—and grown-ups too—hooked on history. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.

1943: The tide of the War has turned against Hitler. Mussolini is deposed, imprisoned, and hidden. A single commando leads gliders to the top of the highest peak in the Apennines to rescue the Duce. October 1944: Hungary's Admiral Horthy is about to defect to the Soviets. Hitler's man kidnaps Horthy's son, and advises him it's time to "retire" if he ever wants to see his son again. December 1944: The Battle of the Bulge. Hitler's favorite soldier, using 2,000 stolen American Army uniforms, leads a group of English-speaking Germans behind enemy lines and wreaks havoc throughout the front. That same man helps former SS members get to South America; becomes Juan Péron's security chief and Eva Péron's secret lover; trains Arab forces and Yasser Arafat for the next Israeli war; sells arms to both sides of wars throughout Africa; and ultimately, as a Mossad agent, "takes out" the very group of nuclear scientists Egypt recruited to destroy Israel! The same man, Otto Skorzeny, did all these things and more. Unrepentant Nazi, this ultimate predator, the most dangerous man in the world, lived more lives than a dozen James Bonds. International best-selling author Hugo N. Gerstl, brings the life of this amazing hero/villain, now almost forgotten, back onto the world's stage where, during the time he lived, he made the world a much more exciting - and scary - place. Novels: Scribe (International Best Seller) - The Motherland Saga in three volumes: Legacy, Emergence, and Coming of Age. The Motherland Saga is also available in an Anthology Edition: Legacy - The Birth of Modern Turkey - The Deathmaster - ChildFinders - Oldies But Goodies Show - Amazing Grace (International Best Seller) - Billy Jenkins - Against All Odds (International Best Seller) - Assassin (International Best Seller) - Arcade - The Wrecking Crew (International Best Seller) - Skorzeny - Dancing With the Devil - Stalemate. - Coming Soon: The Good Brother - The trial of Albert Goring - Set Rome Afire - The story of the First Pope John XXIII - The Danube. _____

This report is based on findings from newly-declassified decades-old Army and CIA records released under the Nazi War Crimes Disclosure Act of 1998. These records were processed and reviewed by the National Archives-led Nazi War Crimes and Japanese Imperial Government Records Interagency Working Group. The report highlights materials opened under the Act, in addition to records that were previously opened but had not been mined by historians and researchers, including records from the Office of Strategic Services (a CIA predecessor), dossiers of the Army Staff's Intelligence Records of the Investigative Records Repository, State Dept. records, and files of the Navy Judge Advocate General. This is a print on demand report.

SS-Obersturmbannführer Otto Skorzeny became a legend in his own time. From his background as a student radical in Vienna, to his bloody service with the Waffen-SS on the Eastern Front, his surprise rebirth as a commando, and his intriguing post-war career and mysterious fortune, this book tells Otto Skorzeny's story in full – warts and all – for the first time.

Nancy Wake, nicknamed 'the white mouse' for her ability to evade capture, tells her own story. As the Gestapo's most wanted person, and one of the most highly decorated servicewomen of the war, it's a story worth telling. After living and working in Paris in the 1930's, Nancy married a wealthy Frenchman and settled in Marseilles. Her idyllic new life was ended by World War II and the invasion of France. Her life shattered, Nancy joined the French resistance and, later, began work with an escape-route network for allied soldiers. Eventually Nancy had to escape from France herself to avoid capture by the Gestapo. In London she trained with the Special Operations Executive as a secret agent and saboteur before parachuting back into France. Nancy became a leading figure in the Maquis of the Auvergne district, in charge of finance and obtaining arms, and helped to forge the Maquis into a superb fighting force. During her lifetime, Nancy Wake was hailed as a legend. Her autobiography recounts her extraordinary wartime experiences in her own words.

In the summer of 1942, following the invasion of Russia the previous year, Hitler's 'Brandenburger' commando units undertook a daring operation deep inside Soviet-held territory. Disguised as members of Stalin's NKVD, the secret police dreaded by most Soviet citizens and soldiers, the Brandenburgers passed unsuspected past the Red Army's checkpoints, before launching their surprise operation to seize the vital Soviet oil facilities around Maikop – delivering them intact into Nazi hands. Featuring specially commissioned full-colour artwork, this expert assessment of the Maikop operation casts new light on German special-forces operations on the Eastern Front.

Après avoir combattu sur le front russe, Otto Skorzeny entre dans les services secrets. Hitler lui confie en 1943 la mission qui va le rendre célèbre : retrouver et libérer Mussolini qui vient d'être renversé. L'opération spectaculaire qu'il monte lui vaut immédiatement la confiance illimitée du Führer. Mais son histoire ne s'arrête pas avec la guerre. Evadé en 1948 avec la bénédiction des Américains, il met sur pied l'organisation Odessa, qui s'emploie notamment à protéger les anciens SS. Dès lors, on le retrouve en Argentine aux côtés de Juan et Evita Peron, en Egypte, structurant les forces militaires et policières de Nasser, ou encore entraînant les premiers commandos palestiniens destinés à détruire Israël. La première biographie de cet homme trouble au parcours sidérant.

The memoirs of the legendary Skorzeny appear here in its first unabridged English edition. Skorzeny's fame began with the successful raid to free Benito Mussolini from the Gran Sasso, Italy in 1943. His elite commandos surprised Italian guards in a daring daytime raid. Hitler presented Skorzeny with the Knight's Cross for this operation. Not only is this raid explained in minute detail, many of Skorzeny's previously unknown operations in all European and Russian theatres of World War II are given in detailed accounts. Operation Griffin - the innovative use of German Kommandos dressed as American soldiers working behind enemy lines - during the Ardennes Offensive in 1944 is given in-depth coverage, as is Skorzeny's remembrances on the Malmedy massacre.

Skorzeny also offers his insights into the mysterious Rudolf Hess mission to England in May 1941, and offers a behind the scenes look at German and Russian secret military intelligence, and the workings of Canaris and Gehlen. Out of print for 9 years, this incredible story recounts the exploits of Hitler's favorite commando, SS Col. Otto Skorzeny. From snatching Mussolini from an "impenetrable" mountain to the rescue of a doomed German division in the Balkans, here is the complete story of Skorzeny.

In *The Skorzeny Papers*, the author reveals the details of the post-World War II activities of former SS Commando Otto Skorzeny. Considered by British and American Allied forces as "the most dangerous man in Europe," Skorzeny planned and led numerous daring missions throughout the war. The story in this book was extracted by Major Ganis from Skorzeny's personal papers. The evidence reveals that Skorzeny gradually and methodically became involved in US intelligence and covert operations during the Cold War. But Skorzeny's network had a greater point of destiny in November 1963, when it was utilized to carry out the most tragic mission in history. This story would have been lost had Skorzeny not kept meticulous records of his businesses and contacts, which were fronts for US covert activity. In the end, *The Skorzeny Papers* reveal the intriguing web of secret organizations and people linked to the events culminating in the assassination of President John F. Kennedy.

The untold inside story of the audacious Nazi plot to rescue il Duce from an Allied prison. The operation to free Mussolini, who was being held prisoner in a high mountain hotel on the summit of Gran Sasso, Italy, in September 1943, is without a doubt one of the most spectacular operations not only of the Second World War, but in all military history. German paratroopers, the Wehrmacht's elite, were responsible for organizing the rescue in record time, and executing a daring and perfectly synchronized operation between land and airborne detachments. Surprise and speed were the Fallschirmjäger's main weapons, surprising the Italian garrison guarding il Duce. For political reasons Otto Skorzeny, the clever SS officer, also participated in the operation, leading a dozen of his commandos. Propaganda and his connections with Himmler made him into the false hero of the mission, over-emphasizing his role in the whole search and rescue operation. Based on the testimony of several protagonists in this incredible operation, as well as analyzing major documents (letters, reports by General Kurt Student, etc.) and the abundant literature available on the subject, this book dismantles the "Skorzeny Myth" and reveals the truth of what really happened in a mission that even Churchill called "one of great daring."

Otto Skorzeny, Germany's top commando in the Second World War, is one of the most famous men in the history of special forces. His extraordinary wartime career was one of high risk and adventure and here he tells the full story. Skorzeny quickly proved his worth in Yugoslavia and then Russia. In 1942 he was awarded the Iron Cross, and in April 1943 he was promoted to captain and named 'Chief of Germany's Special Troops, Existing or to be Created in the

Future'. When Mussolini was imprisoned in Italy in 1943, it was Skorzeny who successfully led the daring glider rescue, winning the Knight's Cross and promotion as a result. Skorzeny's talents were brought into play again when he was sent to Budapest to stop the Hungarian regent Admiral Horthy from signing a peace with Stalin in 1944. Now dubbed 'the most dangerous man in Europe' by the Allies he was awarded the German Cross in Gold. A few months later he took a critical role in the Ardennes offensive with a controversial plan to raise a brigade disguised as Americans with captured Sherman tanks. His captured colleagues spread a false rumour that he was planning to assassinate Eisenhower, who was consequently confined to his headquarters for weeks. "He was Hitler's favorite commando -- and a frightening menace to the Allied forces. With a handful of German Special Troops, Otto Skorzeny performed the impossible by snatching Mussolini from an 'impenetrable' mountain. He astounded the world and gave a brilliant demonstration of the new warfare, which extends beyond the lines of battle, beyond even the 'rules of war.' Here is the inside story of the abduction of Horthy from Budapest, the 'disguised brigade' behind American lines in the Ardennes, the destruction of the Nymegen bridge and the incredible rescue of the 'doomed' German division in the Balkans. Here is the complete and astounding saga of Skorzeny, the greatest adventurer of World War II." -- Back cover.

War memoirs of the most dangerous man in Europe.

'A bad reputation has its commitments.' So wrote home Jochen Peiper from the fighting front in the East in 1943, characterizing his battle-hardened command during the Second World War. Peiper's War is a new serious work of military history by the renowned author Danny S. Parker which presents a unique view off the Second World War as seen from a prominent participant on the dark side of history. The story follows the wartime career of Waffen SS Colonel Jochen Peiper, a handsome Aryan prodigy who was considered a hero in the Third Reich. Peiper had been Heinrich Himmler's personal adjutant in the early years of the war, and, having procured a field command in Hitler's namesake fighting force, the Leibstandarte Adolf Hitler, he become famous for a flamboyant and brutal style of warfare on the Eastern Front. There, in his sphere, few prisoners were taken, and motives of racial genocide were never far from unspoken orders. Transferred to the west, Peiper's battlegroup incinerated a tiny town in Northern Italy and killed the village mayor and priest. Being well-connected to Himmler and other generals of the period, Peiper finds a place in the narrative as a storied witness to the inner workings of the Nazi elite along with other prominent SS officers such as Kurt Meyer. In this meticulously researched work, we witness the apex and then death spiral of Nazi military intentions as Peiper fights for Germany across every front in the conflict. Peiper's War provides a telling inside look at Hitler's war and then how the dark secrets of his security-minded command were improbably unearthed at the end of the conflict by an obscure top-secret surveillance facility in the United States. Handsome, intelligent, impetuous, and dedicated to the Nazi cause, SS Colonel Jochen Peiper (1915–1976) was one of the most controversial figures of World War II. After volunteering for the Waffen-SS at an early age, Peiper quickly rose to prominence as

Heinrich Himmler's ever-present personal adjutant in the early years of the war. Sent later to the fighting front with the fearsome 1st SS Panzer Division, Peiper became a legend for his flamboyant and brutal style of warfare. As one of Hitler's favorites, he was chosen to spearhead the Ardennes Offensive, later known as the Battle of the Bulge. After the war, Peiper became the central subject in the bitterly disputed Malmédy war crimes trial. Convicted but later released, he moved to eastern France. There, he and his past were discovered, and he died in a fiery gun battle by killers unknown even today. In *Hitler's Warrior*, historian Danny Parker describes Peiper both on and off the battlefield and explores his complex personality. The rich narrative is supported by years of research that has uncovered previously unpublished archival material and is enhanced with information drawn from extensive interviews with Peiper's contemporaries, including German veterans. This major new historical work is both a definitive biography of Hitler's most enigmatic warrior and a unique study of the morally inverted world of the Third Reich.

The SS was one of the most important institutions of Third Reich Germany, yet it is also among the least well understood. From the end of 1935, the SS had control over all police and internal security duties in Germany and the militarised Waffen SS had more than eight hundred thousand men serving in the field, in direct rivalry with the traditional German armed forces, the Wehrmacht. Making use of material not previously available, this definitive book refocuses attention on and enhances understanding of the hard-nosed political fanatics and opportunists who were responsible for one of the most appalling crimes in human history, the attempted execution of the Jews of Europe. In 1943, sixteen German paratroopers landed in England. In three days, they nearly won the war . . . Discover *The Eagle Has Landed*, by international bestselling author Jack Higgins, the ultimate WWII pageturner and one of the bestselling thrillers of all time. In the early morning hours of 6 November 1943, SS Reichsführer Heinrich Himmler receives the coded message he has been waiting for: 'The Eagle has landed'. Operation Eagle: Himmler's audacious plan to kidnap Winston Churchill on British soil is underway in a remote corner of Norfolk. There, an elite unit is gathered. Ready to do battle for a nation against the most ruthless task force ever assembled . . . First published in 1975, *The Eagle Has Landed* is a classic tale of the ultimate act of wartime treachery. This 45th anniversary edition celebrates Jack Higgins' novel as one of the bestselling thrillers of all time. Praise for Jack Higgins: 'A thriller writer in a class of his own' *Financial Times* 'Higgins is a master of his craft' *Daily Telegraph* 'A compulsively readable storyteller' *Sunday Express* '100 per cent proof adventure' *New York Times* Atomic Robo, a robot with automatic intelligence, battles a variety of villains.
