choreographed to perfection. Cheiro was a well known clairvoyant in his time, will show you the mysteries of numbers according to the Chaldean Numerology. As mentioned in his memoirs, Cheiro acquired his expertise in India. As a teenager, he traveled to the Bombay port of Apollo Bunder. There, he met his Guru, an Indian Brahmin, who took him to his village in the valley of the Konkan region of Maharashtra. Later Cheiro was permitted by Brahmans to study an ancient book that has many studies on hands; the pages of the book were made of human skin and written with gold and it is still guarded and protected with great care. After studying thoroughly for two years, he returned to London and started his career as a palmist. He had a wide following of famous European and American clients during the late 19th and early 20th centuries. He read palms and told the fortunes of famous celebrities like Mark Twain, W. T. Stead, Sarah Bernhardt, Mata Hari, Oscar Wilde, Grover Cleveland, Thomas Edison, the Prince of Wales, General Kitchener, William Ewart Gladstone, and Joseph Chamberlain. He documented his sittings with these clients by asking them to sign a guest book he kept for the purpose, in which he encouraged them to comment on their experiences as subjects of his character analyses and predictions. Of the Prince of Wales, he wrote that "I would not be surprised if he did not give up everything, including his right to be crowned, for the woman he loved." Cheiro also predicted that the Jews would return to Palestine and the country would again be called Israel.

A unique approach to using numerology to identify life challenges and karmic lessons to heal emotional and physical problems • Provides a clear method for identifying challenges specific to your birthday and name • Details 185 health conditions and how to address the causes using numerology--from addictions and Alzheimer's disease to thyroid problems, heart failure, and cancer • Offers guidance in understanding universal abandonment issues and how these affect our behavior *In Numerology for Healing*, Michael Brill combines numerology with psychology, quantum physics, and the concepts of gematria and reincarnation to create a unique approach to healing emotional and physical problems based on life challenges and karmic lessons. Humans suffer from a profound sense of abandonment when the soul is decanted from the Universal Oneness into the confines of a personality. Brill explains how this sense of abandonment manifests itself in two principal types of behavior: people work to be loved and appreciated for who they are, or they try to control and micromanage their lives and relationships so that nothing goes wrong. Both of these behavior patterns are

exhausting physically, emotionally, and mentally and are clear catalysts for illness. Brill details 185 physical and mental health conditions and shows how to identify and treat the causes--from addictions and Alzheimer's disease to thyroid problems, heart failure, and cancer. For instance, he reveals that, in general, illnesses beginning with the letter "A" (acne and alcoholism) have issues of self-esteem as one of the basic causes, whereas illnesses beginning with letter "G" (gallstones and glaucoma) are associated with a need to be in control, in relationships or at work. By using the numerology of your birth date and name, Numerology for Healing makes it easy to identify your positive and negative tendencies and characteristics and to use them as the key to achieving a healthier life.

Within a few minutes, learn to assess vibrations surrounding a specific year, month, and day--even a specific person--through this numerology guide.
