Important disclaimer: This book is not for everyone—just those who want to have more fun, more adventures, and more magic in their life. Thank & Grow Rich is for anyone interested in hooking up with the magnanimous energy field of the cosmos. Author Pam Grout, who likes to call herself the Warren Buffet of Happiness, says it all starts with getting on the frequency of joy and gratitude. Thanking (rather than thinking) puts us on an energetic frequency—a vibration—that calls in miracles. Science has proven that when we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we develop the capacity to radically rev up our day-to-day experience. Brazen gratitude, it seems, provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Grout's bestseller E-Squared. This book also offers an updated perspective on abundance, which goes way beyond financial capital. It shows readers how to grow and expand their creative capital, their social capital, their spiritual capital, and much, much more! There's even an abundance worksheet that tracks your thank-and-grow rich portfolio and a money-back guarantee offering four personalized gifts straight from the always-accommodating universe. Your credit union might offer a butter dish or a koozie, but an investment in this book comes with your own personal sign from the universe, an answer to an important question, a customized totem, and a one-of-a-kind gift from the natural world. But more importantly, this 30-day experiment will upgrade your life experience from ho-hum to wahoo! From like sucks to life rocks! From woe is me to yippie-ti-yi-yay!!

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

For young fans of wizardry everywhere, this exciting series of six books will follow the adventures of the wizard apprentice as he takes on the forces of darkness and learns more about his growing powers. Ages 8+.
