

The Pot Of Wisdom Ananse Stories

Come along with us as we retell stories of the mischievous but very intelligent West African, Ashanti trickster, Anansi the Spider. Anansi likes to get his own way and often uses his wit to outsmart animals much larger or stronger than he is; but Anansi doesn't know when enough is enough and his desire to win sometimes gets the best of him. Anansi tales date back to at least the 1500s and travelled by word of mouth from village to village. Throughout the diaspora, enslaved Africans would retell Anansi stories, passing them on through the generations and spreading them across Africa and The Americas. These stories didn't only serve as entertainment but they offered hope. Today, there are several versions of the many Anansi tales. Here are some of them...

In his successful Creative Storytelling, Jack Zipes showed how storytelling is a rich and powerful tool for self-expression and for building children's imaginations. In Speaking Out, this master storyteller goes further, speaking out against rote learning and testing and for the positive force within storytelling and creative drama during the K-12 years. For the past four years, Jack Zipes has worked with the Neighborhood Bridges Program of the Children's Theatre Company of Minneapolis, taking his storytelling techniques into inner-city schools. Speaking Out is in part a record of the transformations storytelling can work on the minds and lives of young people. But it is also a vivid and exhilarating demonstration of a different kind of education - one built from deep inside each child. Speaking Out is a book for storytellers, educators, parents, and anyone who cares about helping kids find within themselves the keys to imagination.

Mufaro was a happy man. Everyone agreed that his two daughters were very beautiful. Nyasha was kind and considerate as well as beautiful, but everyone -- except Mufaro -- knew that Manyara was selfish, badtempered, and spoiled. When the king decided to take a wife and invited "The Most Worthy and Beautiful Daughters in the Land" to appear before him, Mufaro declared proudly that only the king could choose between Nyasha and Manyara. Manyara, of course, didn't agree, and set out to make certain that she would be chosen. John Steptoe has created a memorable modern fable of pride going before a fall, in keeping with the moral of the folktale that was his inspiration. He has illustrated it with stunning paintings that glow with the beauty, warmth, and internal vision of the land and people of his ancestors. Anansi is both a god, spirit and African folktale character. He often takes the shape of a spider and is considered to be the spirit of all knowledge of stories. He is also one of the most important characters of West African and Caribbean folklore.

Ruth Finnegan's *Oral Literature in Africa* was first published in 1970, and since then has been widely praised as one of the most important books in its field. Based on years of fieldwork, the study traces the history of storytelling across the continent of Africa. This revised edition makes Finnegan's ground-breaking research available to the next generation of scholars. It includes a new introduction, additional images and an updated bibliography, as well as its original chapters on poetry, prose, "drum language" and drama, and an overview of the social, linguistic and historical background of oral literature in Africa. This book is the first volume in the World Oral Literature Series, an ongoing collaboration between OBP and World Oral Literature Project. A free online archive of recordings and photographs that Finnegan made during her fieldwork in the late 1960s is hosted by the World Oral Literature Project (<http://www.oralliterature.org/collections/rfinnegan001.html>) and can also be accessed from publisher's website.
